

Wyoming Football Club Inc

**MISSION STATEMENT: TO BE AN OUTSTANDING ORGANISATION THAT PROVIDES
A COMMUNITY-ORIENTED, SAFE AND NURTURING ENVIRONMENT FOR THE
DEVELOPMENT OF JUNIOR AND SENIOR FOOTBALLERS.**

If you received our recent news letter you will know that the Club is embarking upon three new and ambitious programs designed to position Wyoming Football Club as one of the leading clubs of choice for all players including players who have the talent and aspiration to achieve their full potential.

To achieve this objective, the Club Executive is establishing three committees to further develop and implement these programs, and we are seeking volunteers to participate:

Program 1: will specifically, research into and develop recommendations based on topics below, but will not be limited to only these:

- The value of the Club having a development path for coaches to become better qualified and more competent;
- The value of the Club providing players with both on field coaching and a comprehensive fitness and well being programs as part of their registration;
- The value of a one off registration fee that includes all down stream costs, including a playing strip that is retained by the player at the end of season
- Committee development and retention program that may incur some form of remuneration
- Strategies to maximise grant funds from various funding bodies, local councils and Government (both State and Federal).

Program 2: will specifically research into and develop recommendations based on topics below, but will not be limited to only these:

- Review and set the criteria for the qualifications and experience and coaching routines required for each age group and grade;
- Establish an educational program and framework to achieve the objectives in point 1;
- Establish relationships with organisations such as the Central Coast Academy of Sport , Football NSW and the Mariners Academy to determine what, if any programs offered by them that can be integrated into the Wyoming program.

Program 3: will specifically research into and develop recommendations based on topics below, but will not be limited to only these:

- Establish a sponsorship program with the objective of achieving a revenue from sponsors to the value of at least \$100.00 per registered player;
- Establish and run fund raising events including social events with the objective of raising revenue to the value of at least \$50.00 per registered player.

Please help us build a better Club by participating in any of the above programs.
