Wyoming Football Club has established a Junior Player Scholarship Scheme, which will consist of interested Club partners who wish to financially assist talented young players, from the Club, to help them achieve a dream. The scheme targets players from the age of 8 to 16.

The objects of the Scheme are:

- To provide financial assistance to players who have displayed above average skills and keenness in the game.
- To encourage these players to remain in the game of football.
- To encourage these players to play at the highest level possible.
- To encourage better schooling, family and community values.

### THANK YOU

*As a financial partner either through your sponsorship of a Golf Hole in the Club's 40<sup>th</sup> Anniversary event or by a donation, the Club and, of course, the junior players, would like to thank you for your past contribution.*

### STOP PRESS

*There has been positive progress so far with the Scholarship Scheme.*

*Four of the players (Salah Omar, Jamal Shoaib, Ethan Kennedy and Ronan Clements-Lee) have been selected into the Central Coast contingent of the Project 22 squad, which is being trained up for the 2022 World Cup and which will hopefully be played in Australia. Jamal subsequently withdrew, but along with Kiall Whitcher he will continue in the Central Coast Mariners Junior Academy course.*

**NEXT FUND RAISING EVENT**  
*The Club is proposing to stage another Golf Day in October 2011 after the success of the July event.*
