Forfeit Policy 2011

The following is Central Coast Football's policy for all Forfeits in 2011 competition matches.

Weekend Forfeits:

A completed forfeit form must be emailed to the following email addresses by 12pm Friday before the weekends' games including Monday games.

competitions@ccfootball.com.au

referee.appointments@ccfootball.com.au

The form must also be sent to the opposition fixtures officer to advise them of the forfeit. If the form is received by the office before 12pm, the forfeiting club will not be required to pay referees fees.

If the form is not received before this time, the forfeiting club must SMS the referees appointment officer on 0438561327 and the opposition fixtures officer with the match details including day, date, time, ground and opposition. The forfeiting club also needs to send in the forfeit form to the above emails and the opposition's fixtures officer. The forfeiting club will be required to pay all referees fees for the match. CCF will invoice Clubs for these forfeits.

Midweek Forfeits:

A completed forfeit form must be sent in to the above email addresses at least 24hrs before the match. The forfeiting Club will not be required to pay referee fees if received by this time. If the form is not received by this time, the process is the same as for weekend matches and the forfeiting Club will be required to pay all referee fees. CCF will invoice Clubs for these forfeits.

Regards,

Sally McGarn

Competitions Administrator
