Since the last report the results have been :-

<u>DATE</u>	<u>OPPOSITION</u>	<u>FOR</u>	<u>AGAINST</u>	<u>PLAYER OF WEEK</u>
30/5/87	Kincumber 3	1	2	Simon Paull
13/6/87	Wyoming Pumas	1	1	Owen Ranken

18/7/87	Ourimbah 1	3	1	Kurt Simpson
25/7/87	East Gosford	0	1	Gorey Anderson

The team has shown vast improvement over the last month or so and has reversed the results of a few of the first round matches.

The last seven games have seen us score 13 goals with only 5 being scored against us.

The goal scoring aspect has induced enthusiasm into the boys with all of them keen to get at the ball and put it into the nets. Hopefully, this "goal" will be reached by all the boys before the seasons end.

COACH: JASON JAY

MANAGER: GRAEME MORRIS

-v- WYOMING TIGERS - 4.7.87

Unfortunately we recorded a 0-1 loss however the goal was scored in the last minutes of the game.

Every boy has been showing improvement in his game weekly and is rewarding Coach Jason for his efforts.

Special mention of Stephen McIntyre, Nicholas Austin, and Clint Patterson. Robert Fortier was Player of the Week.

-v- KINCUMBER 2 - 18.7.87

Our biggest win of the season with a 6-0 result, on Kincumber home ground, probably the best display of team work all season from every boy. One memorable effort from Justin and James resulting in a goal for Joel. The teamwork for 7 year olds, was great.

Joel Morris capped a fine game by scoring all 6 goals (a double hat-trick). Well done Joel, however splendid leadup work from Robert, Stephen, David and Nicholas made thos goals possible.

Joel Morris was Player of the Week.

-v- KINCUMBER 1 - 25.7.87

Kincumber did not turn up, so thanks to the Wyoming 11As for the small game against the Pumas.

The 11's were brought back to size (with a small ball and small field) and entertained the large crowd with their skills.

Fortunately the 7's won easily (mainly because the 11's were offisde most of the match). Robert Fortier handled his brother Stuart without any problems and Joel Morris consistantly worried his borther Adam.

Player of the Week was Nicholas Austin.

7 TIGERS

COACH: STEPHEN HALL

MANAGER: ALAN FRAZER

-v- KINCUMBER 2 - 20/6/87

Win 5-0. The boys played fine attacking soccer with Bradley Moses scoring 3 goals after fine play in the midfield from Sean Mahony and Daniel Coulter. Luke Brummel and Stephen Badger also had srong games in the second half.

Quinton Donald was a tower of strength at fullback with strong kicking. David Frazer and Daniel Coulter were the other goal scorers.

Player of the Match: Quinton Donald.

-v- WYOMING LIONS - 27.6.87

2.0 Win. A hard game for our boys with the Lions attacking at every opportunity. Our defence again was very solid with Daniel Brown having an outstanding game at fullback. Sean Mahony and Quinton Donald played well in goals to keep the opposition scoreless. Our midfield again worked well with Luke, Sean and Adam always on the ball. Two fine goals were scored by Daniel Coulter and Adam Wade.

Player of the Match: Daniel Brown.

## 7 TIGERS (Cont'd)

-v- WYOMING PUMAS - 4/7/87

1-0 Win. A very hard match with the only goal scored by David Fraser. Our boys deserved their win although we were beginning to play kick and chase without the boys not wanting to control the ball. The boys need to listen to their coach, more closely, otherwise their soccer will not improve. Daniel Coulter had an excellent game in the second half and deserved the Player of the Match Award.

-v- KINCUMBER 1 - 18/7/87

1-0 Win. Whilst winning one nil our boys did not play good soccer. We are still trying to play kick and chase. Our team work has not been good for the last few matches and appears that the boys are not listening to Steve, their coach. Sean Mahony had a fine game well supported by Stephen Badger who was never off the ball. David Frazer and Daniel Coulter played well in goals to keep Kincumber scoreless. Our only goal was scored by Bradley Moses. Player of the Match was Sean Mahony.

-v- OURIMBAH 2 - 25/7/87

2.0 Win. This was a much better game from all the boys. Our ball control was much better. Ourimbah played very well to keep us to 2.0 as our boys, Stephen, Luke and two Daniels, David, Quinton, Sean, Bradley and Adam all played with skill and determination. Ourimbah tackled fiercely with young Daniel Coulter taking a very nasty bump. Daniel got up and played on strongly. Steve, our coach was pleased with the performance and mentioned he wanted to concentrate on passing at practice and in the remaining matches. Goal scorers were David Frazer and Bradley Moses.

Player of the Match: Bradley Moses

### WYOMING U/7 "KNOCK OUT"

A great day, well organized by the Wyoming Club. Our congratulations to all concerned. The team played strongly winning our division with all boys contributing to good performance in one game or another. The team was undefeated going into the semi finals but unfortunately met a Woy Woy side which was much stronger on the day losing 3.0. In general, our boys are fairly skillful but unfortunately by the end of the day the boys were becoming tentative due to the fact that they were being backed all over the park.

Well played boys!

## 7 LIONS

COACH: JOHN BAILEY

MANAGER: RON WELER

-v- WYOMING TIGERS

We expected a hard game against the Tigers and that's what we got. Our opposition had the better of the first half although we had our chances. Ryan Douglass had the pressure on him many times but he kept the ball out with many fine saves. Andrew Voke and Darren Weller had good games in centrefield and our sweeper in defence Paul Frohmuller had his hands full. Half time score nil all.

The Tigers made a break early after the start of play and put the ball into our net. The first score against us in 6 games. Nathan Healy who was spelled in the first half tried hard without success. Again the Tigers scored, 2 nil. Our most improved player Joshua Hardie finally scored our only goal after a very determined second half. Our second half goalie had lots of work to do. Time finally ran out for us and we had only the second loss of the season. Final score Lions 1 Tigers 2.

Player of the Week Award - Ryan Douglass  
McDonalds Award - Andrew Voke

## 7 LIONS (Cont'd)

### -v- KINCUMBER 1

This game was the first of the 2nd round. We had a 1 nil win in the first round. Kincumber could not field a full side and had to borrow from a Wyoming side which had just finished playing. The ground was very slippery however Joshua Hardie had a very strong first half, he was well supported by Andrew Voke and Ryan Douglass. Peter Home is improving with every game. Paul Frohmuller scored twice but one was disallowed because it was kicked from the sideline without anyone touching the ball. Half time score 1 nil in our favour.

Nathan Healy almost scored from the kick off. Russell Rathbone is showing skills with ball control and his kicking is much improved. Ryan Douglass centred the ball but we had nobody in the centre to finish off. Nathan Healey broke free and had a shot, but it hit the side post and deflected out. Kincumber scored late in the second half. Our second half goalie Joshua Hardie saved a couple of times and kicked out well.

Final score 1 all draw.

Player of the Week Award - Joshua Hardie  
McDonalds Award - Russell Rathbone

### -v- OURIMBAH 2

Every boy got "into" this game early. Joshua Hardie missed only just wide after 2 minutes. Nathan Healey showed good skills taking a high ball on the chest, worked the ball down the sideline and scored. Darren Weller had a good first half beating a number of the opposition with his dribbling. Our 1st half goalie Andrew Voke had a good game in goals. Nathan Healey topped off a great 1st half game with yet another goal. Joshua Hardie, Darren Weller and Ryan Douglass all had shots but they just went wide. It was our way 2 nil.

The second half began with Peter Home just missing with the Ourimbah goalie down. Joshua Hardie played the forward role and was rewarded with a goal to make it 3 nil. The Ourimbah goalie had his hands full with our constant raids. Paul Frohmuller played a good sweepers role and kept the pressure off our goalie. Final score Wyoming Lions 3 Ourimbah 2 nil.

Player of the Week Award - Andrew Voke for a good all round game.

### -v- OURIMBAH 1

Having been beaten in the first round by Ourimbah 4-1 we went into this game with determination. We raided the Ourimbah goal constantly and it wasn't long before Joshua Hardie scored after good lead up work by Nathan Healey. Ryan Douglass played well in the centre with good support from Peter Home. Paul Frohmuller was in everything and protected our goals well. Nathan Healey scored a good overhead goal late in the first half, Joshua Hardie topped off a good half with a shot just going wide.

Half time score 2 nil to the Lions.

Shortly after the kick off Nathan Healey scored after the Ourimbah goalie made a poor kick out. Joshua Hardie in goals had plenty of work to do as Ourimbah struck back. Andrew Voke played well in the centre. Our teamwork in the second half was good to watch. Russell Rathbone was unlucky not to score late in the game. Once again Paul Frohmuller seemed to be everywhere with his big kicks.

Final score Wyoming Lions 3 Ourimbah 1 nil.

Player of the Week - Paul Frohmuller.

### -v- WYOMING PUMAS - 27.6.87

1-1 draw. Excellent game and a strong performance from both teams. Strong attacking from Stephen Davis, Simon Ainsley, Aaron Herold and Shance Butt (1 goal). With superb defence from Ben Acheson, Jordan Burden, Nathan Zygeerski and Adam Brown made it a very exciting game.

Player of the Week - Stephen Davis  
McDonalds Award - Aaron Herold.

### U/7 GALA DAY - 28.6.87

Game 1	-	0-0	Draw
2	-	0-1	Loss
3	-	2-0	Win
4	-	0-1	Loss
5	-	1-1	Draw

A fun day and a good way to gauge our team's development this year. Considering the Cougars have only 3 experience players they have developed well as a team with the fundamentals being learnt as well as everybody having fun.

### -v- OURIMBAH 2 - 4.7.87

2-1 win. This game was a real pleasure to watch. An inspired display by Shane Butt (2 goals) with further attempts by Simon Ainsley, Stephen Davis and Adam Brown only missing by centimetres could have easily seen the score 5-1. Our defence line of Jordan Burdon, Aaron Herold and Nathan Zygnerski showed great skills to keep Ourimbah out. Terrific performance by Ben Acheson, who showed what courage he has in defending our goals.

Player of the Week - Shane Butt  
McDonald's Award - Ben Acheson

### -v- OURIMBAH 1 - 18.7.87

1-1 draw. (Ourimbah own goal). With a request from Ourimbah Coach we played 7 aside. A slight reversal of form from our boys compared with a fortnight ago, possibly due to a bye (11.7.87) and some of the boys missing training because of school holidays. With the odd attack on their goal by Nathan Zygnerski, Simon Ainsley and Ben Acheson our defence line up of Adam Brown, Shane Butt, Aaron Herold and Stephen Davis had a torrid time keeping Ourimbah from scoring more.

Player of the Week - Nathan Zygnerski  
McDonald's Award - Simon Ainsley

### -v- EAST GOSFORD - 2..7.87

This game 2-1 loss saw a good intense game from both sides, with 1 goal from Ben Acheson. The attack from Adam Brown and diligent attempts by Simon Ainsley to score more goals, made it a good game to watch. Adam received the McDonalds award. Stephen Davis, Nathan Zygnerski and Aaron Herold kept our defence up which stopped East Gosford from scoring more goals.

Player of the Week was Ben Acheson.

Easily the best month the boys have played. With only three goals scored against them in three games, it is becoming evident that, as a team of relative newcomers to the game, they are finally grasping the basic fundamentals of the game.

Big improvements by all members of the team for the last four games of the season, against our own Wyomings teams, should result in some very keenly contested games.

Player of the Week Awards:

4.7.87 -v- East Gosford 1	Draw 1-1	Clint Spears
18.7.87 -v- East Gosford 2	Loss 0-3	Peter Rose

Over the last period we have had mixed results but at all times we have enjoyed our soccer. I think a pen picture of each of our players is appropriate at this time of the year.

Damon Ainsley: A strong and robust player with a strong will to win.

Paul Bryden: A new player this year who is now becoming accustomed to his tasks.

Phillip Buchanan: A much improved player who has developed into an effective defender.

Ben Carroll: A player who at all times gives of his all.

Paul Davies: A most skilful player who has a heart bigger than himself.

Mark Edwards: A good allround player who is a very effective defender.

Paul Gotfredsen: This season he has developed into a good and skilful player.

Craig Goy: Our centre pin defender who rarely allows the attack past him.

Greg Hampstead: A newcomer this season, who has all the attributes to be an excellent player.

Justin Sargent: Our goal scoring machine who rarely misses when an opportunity appears.

Nicholas Voke: A newcomer who is now progressing in leaps and bounds.

-v- WYONG - 2-1 WIN

The team has started to put it together as a team, looking for one another, running on to the ball, thinking about the next move. The first goal was set up by Adam Deane pushing the ball forward from the wing and the forwards ran onto the ball with Craig Etches scoring. The second was from a corner kick also from Adam Deane and Anthony Dillon driving the ball behind the goal keeper.

This week player of the Match was Graham Rowe.

SWANSEA GALA DAY

I take my hat off to the whole team for an outstanding effort all day considering you are not used to the big field. The team found a super goalkeeper in Graham Rowe - such hidden talent we didn't know about. I also would like to thank all the parents in supporting me on the day.

Congratulations to the A1 team on running second to Swansea on the day.

A good day had by all. By the way Anthony Dillon scored our only goal.

-v- TOUKLEY - 3.1 LOSS

Beaten by a better team on the day, the boys played very well. Our goal came from a corner by Adam Deane straight to Anthony Dillon and he put it in the back of the net.

The player of the week was Daniel Wheelahan. He played a very strong game in the midfield both in attack and defence.

-v- BUDGEWOI - DRAW 0-0

Again the small field upset the boys, outstanding players were Dale Woods, Anthony Dillon and Graham Rowe.

Player of the Week was Dale Woods. Well done Dale.

-v- TERRIGAL 3 - WON 5-0

An outstanding game by the whole team. Scotty Snodgrass on the wing and Allen Channells in the forwards attacked the net all game but missed out on scoring every time. Goals scored by Stephen Burns 2, Anthony Dillon 2 and John Frohmuller 1.

Player of the Week was John Frohmuller. Well done John.

-v- UMINA GALA DAY

Firstly well done Terry Jones and your team on being runners up to Terrigal 1.

Congratulations to our boys on winning 3 and drawing 2 games. The team played stronger games as the day went on.

I believe I have stepped on a few toes by trying to field my strongest side to perhaps win and make it to the semi finals. It is obvious that some parents didn't agree on my decision.

COACH: JOHN TIDYMAN

MANAGER: JEFFREY BRANDSTATER

-v- BERKELEY VALE - 27.6.87 - LOST 0-3

The boys started slowing and gave away 2 quick goals - they then seemed to lose their confidence and couldn't get their game plan into action.

Man of the Match - Mark McRae.

-v- TERRIGAL - 4.7.87 - DRAW 0-0

A great effort and very exciting game to watch. All boys played well with Matthew Smith, Mark McRae and Jeffrey Walter standing out.

Man of the Match - Matthew Doherty who tried his heart out and it was a great pleasure to give him the award - well done boys!!

-v- EAST GOSFORD - 18.7.87 - LOST 0-5

It was very obvious the school holidays had done nothing to enlighten the boys. Played like "old ladies" and if not for the courageous effort of Mark McRae a worse result was inevitable.

Better to forget and move along to next week.

Man of the Match - Brett Kirton.

-v- WYONG - 25.7.87 - DRAW 1-1

We should have won this game boys !!! We have to remember those big kicks to keep pressure on the opposition. Matthew Doherty had another strong performance.

Man of the Match - Wesley Goncalves - always trying - always hungry for the ball.

Thanks to Mums and Dads for their continued support each week - keeper on coming as one week - we too will "crack the big one".

-v- EAST GOSFORD - LOSS 0-2

Andrew really got in and had a go at the ball. A good effort put in by all the team. Michael put in a great effort and came out a winner.

-v- WYOMING LIONS - LOSS 0-3

William and Dean played very well, in fact it's the best I've seen them play. Nigel is building up confidence as a good goal keeper.

8 PUMAS

COACH: BARRY SINGH  
MANAGER: GLENDA TOWLE

-v- WYOMING LIONS - 4.7.87 -

As always the Wyoming team gave us a stiff bit of opposition but once the boys got warmed up they applied the pressure and put together some fine soccer. Justin Carmody played very strongly at centre forward and was rewarded with two nice goals, his skills are really developing and he is a joy to watch. Got Stephen Bech out of goals for half a game and once again he proved what a valuable player he is by scoring two goals also. Todd McKenzie is showing a vast improvement from the start of the season and has become a great asset to the team with some determined defence and great attacking skills. All the boys had a good game and one day Cameron Singh might just pop in his elusive goal. David, Andrew and Darryl all chimed in well and it is good to see Darryl attacking the ball with determination, he will only improve his game by doing so. Joshua and Christopher were once again rock solid in the backs and the team can only be glad to have them there. Win 4-0.

NO GAME - 11.7.87

-v- WYOMING TIGERS - 18.7.87

Here was Gary Buchanan's chance to beat us, as we only had 7 players, but once again we called upon Nathan Carmody and Gregory Towle from Peter Towle's U/6 team and both boys really gave it both barrels at 110%. With the room to move they were very prominent in the midfield. Once again Justin ran hard and fast all game and only missed a couple of goals by centimetres. Evan Turner had a solid game in goals and was awarded the Man of the Match, his good anticipation and covering saved a few fine shots from the opposition. Again I can only praise our defence of Joshua and Stephen who kept the nasties at bay all game. Andrew Bull had a quiet day, he ran hard but didn't seem to want to commit himself to a tackle for the ball, but he is improving every week. Only good goal keeping kept the scores down.

Final result 0-0 draw.

Goals to date for 21 against 7.

COACH: STEVE FIELD  
MANAGER: JOHN LYONS

-v- SOUTHERN ETTALONG - 27.6.87 - WON 5-0

After a slow start this game showed a big improvement over the previous few weeks. The boys played with teamwork and purpose to score 5 goals against a strong backline. Mark Drennan and Keenan Field scored good running goals. Peter Miller made the most of a good cross from Michael Buchanan. Scott Frazer played non-stop soccer and was rewarded with two goals. Well done boys.

-v- KILLARNEY - 4.7.87 - LOST 2-1

Killarney had use of a strong breeze and scored first. Wyoming fought back well in the first half. Peter Miller continued well with Mark Drennan and Mark made it one all at half time. The boys weren't able to use the wind effectively in the second half and Killarney kicked a good goal against the breeze. Mark Drennan, Peter Miller and Keenan Field played well while Justin Anders played solidly the whole game.

-v- P.M.K. - 18.7.87 - DREW 0-0

The boys played well but despite having the majority of the play couldn't manage to score. Brear Carmody played strongly in the backlines and Daniel Spencer had a good constructive game. The forwards tried hard but found the crowded goal square difficult to penetrate. P.M.K. had their opportunities but Adam Coulter, the goalie, kept them out with his usual cool play.

-v- BUDGEWOI - 25.7.87 - WON 2-0

The score could have been higher but was good given the heavy ground. Wyoming had most of the play and at no stage looked in trouble. Again some boys played in unfamiliar positions and Adam Coulter, our goalie, deserves a mention for his cool constructive play. Justin Anders and Peter Miller scored and Scott Frazer excelled on the wing in the second half. A good solid effort from all boys.

-v- GOSFORD - 27.6.87 - LOST 2-1

Playing against the undefeated top side we were brilliant in defeat. We led 1-0 through a great goal by Kurt Wheeler and until five minutes to go we were winners, but then through one dubious refereeing decision and one lucky goal we lost the game, the boys never stopped trying and the Gosford coach and their supporters all agreed we deserved the two points. Great games were played by Thor Aaso, Adam Reynolds, Ben Roberts and Kurt Wheeler our two goalkeepers Mathew Reif and Steven Ferlazzo also had fine games, every other player tried so hard all of you make your coach and parents very proud.

-v- KILLARNEY - 4.7.87 - WON 2-0

A solid win with two fine goals from Thor Aaso and Chris Smith well supported by Sven Aaso, Mark Hutton and Chris Large kept us in with a very good chance of making the semis. Well played lads, special mention to Craig Clucas who kept improving.

-v- THE ENTRANCE - 18.7.87 - WON 1-0

A very good performance against a side that held us to a draw in the first round. A good goal by Kurt Wheeler earned us the two points, fine games by Luke Me any and David Stuart and supported by the whole team keep us in the race from a top four position.

-v- KINCUMBER - 25.7.87 - WIN 2-0

A good win in the mud with goals by Chris Smith and David Stuart

well supported by Chris Large and Ben Roberts. Kincumber played well and never gave up. A special mention to two players who really ran through the mud all day and had great games so Thor Aaso and Adam Reynolds be proud of your games.

To Sven, Thor, Craig, Steve, Mark, Chris L, Luke, Mathew, Adam, Ben, Chris S, David and Kurt we are close to the semis lets give it all we've got I'm proud of you all.

-v- GOSFORD - 4.7.87 - DRAW 1-1

This game was all our way, the boys had this game in the bag. The ball was in our half all through the game. Except for the time Gosford kicked it through our goal (sigh). All the boys played very well. Man of the Match was David Edwards who played one of his best games. Dean Purcell and Michael Godfredsen also played one of their best and Peter Graham again improving his game.

-v- BUDGEWOI - 18.7.87 - WON 2-0

Back on a winning streak again. Anthony Winn was the Man of the Match (good work Tony), playing in defence he never let one ball past. Anthony's game has been improving every match. Mark Bohringer was again playing at full strength. Nigel Cooper our other back also played very well, with great defence. Budgewoi found it impossible to score past our backs.

-v- KANWAL - 25.7.87 - WON 1-0

What a great game to watch our team was not even at full strength it was made up of 8, 9 and 10 year olds. I would like to thank Clayton Jones 9 years, Paul Godfredson and Mark Edwards 8 years for the great effort they put into their game for us. David Kean had his best game of the year. David is improving his game every match. Mark Bohringer had another big game as did Paul Dickerson and Kristian Lee. All the boys deserved the 'Man of the Match' in this game.

MANAGER: NEVILLE KIRK

-v- SOUTHERN/ETTALONG - 27.6.87 - WON 1-0

A very close game evenly fought by each side, with both sides displaying solid defence and good goal keeping. Good ball skills displayed by Chris McCosker and Bradley Kirk in midfield and Craig Herring in attack. Tim Smith again showing his cool solid defence in goals. Thanks to Scott James who saved us by netting our one goal.

-v- BERKELEY VALE - 4.7.87 - WON 7-0

The game started off fairly evenly with both sides sharing the ball, once Wyoming finally scored, Berkeley Vale started to wilt. In the second half Wyoming dictated the play, however they still missed many chances. Outstanding games by Sean Ryan, Matthew Morris, and Darren Blair in defence and Michael McGarvey in attack. Congratulations to Adam Morris for scoring a hat trick.

HORNSBY U/11 ROUND ROBIN COMPETITION - 12.7.87

Game 1 -v- Lindfield - Lost 1:0. Although Wyoming had most of the play they were still half asleep after an early start for the trip to Hornsby.

Game 2 -v- The Crest - Won on a forfeit

Game 3 -v- Apia - 1:1 Apia won on corners  
Although the boys lost this game, it was a good performance. Until

playing Wyoming Apia had played 17 successive games without conceding a goal. Apia's Coach congratulated the Wyoming boys for their effort in blemishing Apia's defence record.

-v- THE ENTRANCE - 18.7.87 - LOST 2-1

The big game, prior to this game Wyoming were leading the competition with The Entrance 1 point behind. Once again a keenly fought game. The Entrance were the better side showing the better skills and better understanding of each others big efforts. Top performances from Bradley Ham, Stuart Fortier and Evan Williams.

WYONG U/11 ROUND ROBIN COMPETITION - 26.7.87

Game 1 -v- Berkeley Vale 1:1 - Lost on corners  
Game 2 -v- Swansea 0:0 - Won on corners  
Game 3 -v- Kanwal :0 - Lost on corners  
Game 4 -v- Balmont - Won 1:0  
Game 5 -v- Wyong Won 2:0

A good effort by the boys who finished up being runners up in the overall competition. Big credit for the teams success must go to our 2 adopted team members for the day, being Keenan Field and David McGarvey for the 10As. All of our supporters will have fond memories of Keenan displaying his fine soccer skills in mid field by weaving the ball around the opposition, and blending in with the attack while helping out in defence. Who can forget David playing at full back who stopped many of the opposition attacks by running straight through them, also it was a delight to see a full back run the ball out of danger before passing the ball onto the forwards.

-v- WYOMING 11B2 - 4.7.87 - LOSS 0-3

The boys had enough scoring chances to win three games this match but failed to find the back of the net. However the B2s took all their chances and scored three good goals. The boys were just outplayed on the day by a side with more discipline and better teamwork. Well played B2s. Among those who tried hard all day were Troy Fowler, Simon Bacon and Thomas McNally.

-v- THE ENTRANCE - 18.7.87 - LOSS 1-3

A huge improvement this week. This was a game the boys should have won and the scoreline is no indication of the game. We started well and with the play going from end to end we had the equal of The Entrance.

A silly mistake allowed The Entrance to go one goal up but the boys were still playing well with the defence doing a great job, the mid-field pushing the ball up but unfortunately the forwards couldn't net the ball. The Entrance then scored a great goal to be 2-0 up at half time. The second half was all Wyoming and a great goal by Adam Kavanagh, saw us just one goal down but although attacking strongly and having many scoring chances we were unable to score the equaliser. Just before full time The Entrance scored completely against the run of play.

McDonalds Awards - Brett Bacon  
- Blake Paull

-v- TOUKLEY - 25.7.87 - DRAW 0-0

This was a game Wyoming should have won by a big margin as we attacked strongly for most of the game but just could not put the ball in the net. A good team effort with strong games by Nathan Jones, Anthony Cromack and Adam Kavanagh.

GALA DAY AT WYONG - SUNDAY 26.7.87

The boys played five games with the following results.

- v- Southern/Ettalong - Won on corners
- v- Ourimbah - Lost 1-2 (Goal scorer Craig Clucas)
- v- Warners Bay - Won 3-0 (Goal scorers Blake Paull 2 Adam Kavanagh 1)
- v- Gosford City - Lost 0-1
- v- Charlestown - Lost 0-1

The boys played very well all day and never stopped trying. They were very unlucky to lose two of the games they did lose.

Well played boys. A very special thanks to Craig Clucas (10B) and Grant Paull (9A) who played all day as we were players short. Both boys played outstanding soccer all day.

COACH: DAVE FORTUNE

MANAGER: PETER MORRISON

I have been ordered by our honourable secretary to keep my reports shorter. This, combined with the fact that I have a mental block, means no more of my more interesting articles. So, here it is - straight news.

- - - -

And now for all the news in sport, here is your host Rox Messup.

Thank you, Brian (snort) Fagans Park, Saturday 27th June. It was a case of just getting there today when the once famed Wyoming 11B2's struggled to a 1-0 win over the lowly rated Terrigal. The twos did not look impressive (snort) and a lot of chances ended up flatter than an Angel Pie on a hot footpath. Fortune and Morrison showed some of their old flair on the right while Jackson and Frazer tried some set moves on the left. Moseley tried hard but found that Terrigal were putting their feet up in the scrums and resting their boots on his legs.

And now (snort) for more sports news, its over to Martin Overcoat at Alan Davidson.

- - - -

"Thank you Rox, and in a shock, horror result here last fortnight, the 11B2's trounced the 11B1's to the tune of 3 to nil. There were gasps of dismay heard all over the club-house, the Association, and even in the halls of Parliament House, Queensland Premier, Jo Bjelke-Peterson was quoted as saying "Goodness gracious me", It just goes to show what happens under a "Labour Government".

The forward line of Hay, Evans and Emery put paid to any chance of the 11B1's making a come-back. Snahsall was also noticed putting in some good work.

The opposition rallied early in the second half and were very unlucky.

And now, handing back to Rox, this is Martin Overcoat..... Wyoming.

- - - -

Thank you, whatsiname (snort) and just to hand is an item

of news that leaves me flabbergasted - flabbergasted. In a turnover better than you can buy from Sara Lee, the same 11B2 side played Southern-Ettalong last week and got wiped like an oily rag (snort). Ettalong, third from the bottom of the table, and playing one man short, walked all over the twos, and beat them 3 to nil! Flabbergasting.

Stars of the match could only be goal keepers Sainsbury and Hayden, who spent so much time with the ball in their hands that it looked like Aussie Rules. Backs Noble and Hungerbuster stood out as the only workers.

Later that day, Coach Fortune was spotted checking out the Under 6 sides for new talent. When interviewed, he was heard to mutter that the two's had better pick up or he would sign on as a net-ball coach next year.

Thats it - over to you Brian (snort)

- - - -

Well thats the way it was for the month of July. This is Brian Banderson reminding you to stay tuned for the next episode of the series "The Logie of Soccer".

COACH: ERIC MATTHEWS

-v- BUDGEWOI - 27.6.87

The boys learnt a valuable lesson today, you play to the whistle, as Budgewoi scored their first goal as our defence stopped playing when they thought the ball had gone over the goal line.

With Blake O'Brien leading the team as captain, the team played well except for a ten minute spell in the second half that conceded three more goals. A final scoreline of 0-4 was only because of the very good play by the backline of Slim, Greg, Aaron and Rob in goals.

-v- OURIMBAH 4.7.87

Thanks to Stephen Bech and Joshua Bootland who joined us from the under eights to make up the team. They played with great enthusiasm and Stephen came close to scoring.

Ourimbah were the stronger team on the day scoring a good goal in each half. Daniel Kitching played an excellent game in mid-field and Dennis Butler starred in the backs. Result - lost 0-2.

-v- KINCUMBER 18.7.87

The boys must have enjoyed their holiday as they really took the game to Kincumber. A first half goal to Scott Melville took Wyoming to the lead 1-0. Kincumber made numerous raids downfield but were unable to score. Halfway through the second half Craig Douglas who had a top game scored a very good goal. Again Kincumber surged forward but with Peter Greenwood and Andrew Magill showing the way, the midfield defence was too strong. The Kincumber coach congratulated the boys for their fine win. Result - Our third win for the season 2-0.

-v- EAST GOSFORD - 25.7.87

With pools of water covering the ground the boys soon looked like drowned rats. East Gosford continually probed for gaps and scored midway through the first half. Up front Daniel Bootland tried hard and with more support from his team mates may have been able to get a goal. Matthew Turpin played his best game of the season, however East Gosford played very well and deserved their 1-0 win.

12A - SPONSORED BY NARARA PLUMBING SERVICES

COACH: EDDIE MASON

MANAGER: STEPHEN SMITH

During this last month we have seen some very good performances from the boys.

Aaron, Brendan and Daniel each scored two goals to steer the team to a 9-0 victory over Wyong. A notable feature of this match and recent preceding matches has been the unselfish play by Aaron Hood. Aaron, after committing the defender, has been prepared to pass the ball to a supporting player and then adjust his position to provide support to him. This has resulted in the erection of many scoring opportunities.

We defeated Berkeley Vale 3-0, with Daniel scoring two goals and Warren one, in a game in which many goal scoring opportunities went begging.

The highlight of this month was our moral victory over The Entrance. We lead 1-0 at half-time only to relinquish this back due to a slow start in the second half. However, the boys tightened their game and finished strongly with the final score being 2-2 but for a missed penalty. Two excellent goals, Simon!

The last game of the month resulted in a 3-0 win over Woy Woy with Matthew having a very good game as full back. You've been steadily improving all season Matthew - well done.

Boys, I am very concerned at remarks being made to referees and about your willingness to blame the referee for your own mistakes. You must remember that the referee has a very difficult task to perform. The referee without the help of linesmen, has to control 22 players, on a large field for the whole 50 minutes of the match.

I feel that we parents have a major responsibility in the development of good sportsmanship in our children and that of their team mates.

In this regard care should be taken over comments made both at the game and away for it. We should be mindful that the boys have to recognise their own limitations and that of others and learn to accept and perform within them.

With the finals just around the corner Stephen and I are looking forward to your continued support for the team as it is good team work and not singular effort that will enable us to win through in the end.

-v- GOSFORD - LOST 2-4

Given that this was Gosford's seventh consecutive win, and that their last two goals came from blatant off-sides (not a biased opinion by the way ... it was the Gosford coach who told me) it was a fine effort from our boys. The match was lost early in the second half when, with a 1-0 lead, we narrowly missed two scoring opportunities, before conceding three quick goals ourselves.

As has been the case in most of our big matches this season, Scott Montgomery dominated the game, scoring two great goals, both from Daniel Turpin's corner kicks - the second, hit directly from waist high, had to be seen to be believed.

....over

12B1 (cont'd)

-v- WOY WOY - WON 5-0

A match in which almost all of our players came off the field with considerably less skin than they went on with. With the exception of one particular boy whose game plan seemed to be to hack or fight with anyone who came near him, most of the incidents were the result of the opposition's lack of skill than from any malicious intent. Unfortunately as seems to be the case with many young referees, most of the infringements went unpunished, and so some other team will more than likely suffer a similar fate next week.

So much for the "lowlights" of the game; the highlights ..... a couple of super goals from Andrew Smith and Thomas Wanner, Daniel Turpin's successful trek from in goals to take a penalty shot and Brett Van Munster's courage to get back into the game after being viciously fouled.

-v- TERRIGAL - WON 2-0 (FORFEIT)

-v- BUDGEWOI - LOST 0-3

An especially frustrating match for us with the bounce of the ball going against us all day, and although undoubtedly the better team won, the scoreline certainly does not reflect the balance of play. Unfortunately the loss makes our task of getting to the semi-finals rather difficult now, with two more tough matches ahead.

The saturated ground blunted the skills of most players from both sides, but Scotty Mackett once again stood out for us with his usual tenacious performance. Best of the others were Colin McCrone, who is gradually getting back to his best and Ryan Collins. Thanks also to Michael Kennedy from the 10A's who came on as a late replacement.

-v- TERRIGAL - 4.7.87 - WON 3-1

The team played very well on Terrigal's home ground and we came away with a 3-1 win. Goal scorers were Matthew McCrae, Shannon Hutton and Paul Smith. In this game passes were consistently finding their target and the commitment in defence was excellent. A well deserved victory. Stars of the day were Shannon Hutton in midfield, Peter Pecht in defence and Paul Smith in the forwards.

BYE - 11.7.87

-v- P.M.K. - 18.7.87 - LOST 1-0

It was generally considered that we were most unlucky not to have taken the points in this match. The boys set up four excellent scoring chances, all to no avail. Offsides cost us dearly and one exasperated parent was heard to comment "has anyone got a long piece of rope in their car?". P.M.K. beat us 4-1 in the first round and as a vast improvement has been attained by the boys. Donald Sime, Phillip Hopkins and Raymond Mitchell were the best in a good team effort.

-v- KANWAL - 25.7.87 - WON 4-0

Unfortunately Kanwal could only field seven players. Thank heavens we came away with a victory!!! Regardless of the circumstances another sound team performance was displayed. Finally our coaches guidance is having its effect and the boys are talking to and looking for each other. The goal scorers were Darren Goy (3) and Raymond Mitchell, Luke Luffman, Darren Goy and Ryan Murphy stood out.

COACH: JOHN HUGHES

-v- EAST GOSFORD - 30.5.87 - WON 2-1

An excellent win, all played well with our two goals being the results of persistent aggressive attack. Robert Hay in goals made some brilliant saves but had no chance when the opposition scored from a penalty.

-v- KILLARNEY - 13.6.87 - WON 3-1

This was our best game yet where we made the ball do all the work. Paul Culley having a hand in all three goals, firstly harassing the goalie off an Andrew Smith corner making the goalie fumble for an own goal, secondly scoring from another Andrew Smith in pass after some continual consistent attacking moves and lastly scoring our third goal from a best Duncan Hogg centre cross. Thanks to the boys from 12A's who filled in our shortage - namely Simon Wood and Daniel Cunningham.

-v- TOUKLEY - 27.6.87 - LOST 1

We were very unlucky to lose this game as Toukley scored in the last 5 minutes. A draw would have been a fitting result. Again we played well as a team with Neil Cox covering a lot of work all day, and Robert Hay making some fine saves however, the ball in the net is what counts, keep up the good work boys and better luck next time.

-v- KANWAL - 4.7.87 - WON 4-1

The smaller field at Kanwal suited our big kickers with Dereck Mages potting one from half-way. The forwards put it together regularly with Andrew Smith finishing off two fine moves with goals. Steven McGarvey's continual cover broke up the Kanwal attack with younger brother Mike (11A) also putting in a solid effort, thanks to Mike for filling in.

-v- UMINA - 18.7.87 - LOST 4-0

The first half was all ours and an early goal in the second half would have clinched the game however being unsuccessful a lapse in concentration midway through the second half saw Umina score and thus regain their confidence and go on to a convincing victory.

-v- TERRIGAL - 25.7.87 - LOST 5-0

A game well forgotten, we couldn't handle the wet conditions at all and allowed Terrigal to run freely without some fine saves by Robert Hay and consistent effort in every position from Andrew Smith the score would have been even greater. Lets remember what you practice at training and get on with playing soccer as displayed four games ago.

-v- WYOMING 2 - 4.7.87 - WIN 5-0

Today we broke a 5 game drought of goals. It was a meritorious victory inas much every player contributed to the days success.

John-Paul Hallam, Matthew Kirk and Ravi McCosker solid in defence but enterprising by coming into our attack. Anthony Hopkins and Chris Cox dominated midfield skilfully feeding the forwards and wings where Andrew Smith, Stephen Orman weaved among the opposition setting up opportunities for Alex Noble, Wayne Jones and Michael Green.

These opportunities were not wasted Alex Noble scoring a hat trick (3) Wayne 1 Anthony Hopkins 1.

Michael Green and Andrew Smith did not score but infiltrated their 18 yard box on numerous runs.

Warren Bromwich did not have an active day, but was sound defending his goal on the few sorties the 2's made.

If you continue the teamwork demonstrated today you should be successful in remaining games.

NO GAME - 11.7.87

-v- TOUKLEY - 18.7.87 - DRAW 2-2

We travelled north to play bottom of table Toukley overconfident that we'd win at a canter. From the start we showed little enthusiasm to win and control the ball to set up our forwards. Our defence stood too shallow with Toukley scoring from quick breaks in each half. Chris Cox, Matthew Kirk covered a lot of ground to halt the Toukley attacks. Sound goalkeeping and defence denied us scoring more than one each half despite the efforts of Andrew, Alex "Greenie", Wayne and Warren.

Objections to a disallowed winning goal is a lesson that referees have total control of the match and their decisions are final.

Goalscorer: Alex Noble 2.

-v- UMINA - 25.7.87 - WIN 6-0

The game today was entertaining and gave much pleasure to Coach Manager and Supporters.

You put together a team effort supporting each other, setting up skilful combinations that would have given you much satisfaction.

Matthew Kirk, Stephen Orman, Ravi McCosker (in second half) defended soundly but also coming into attack, setting up midfielder David Glover, Chris Cox, Andrew Smith and Anthony Hopkins on the wings, who gave the forwards an abundance of ball.

Alex Noble, Wayne Jones and Michael Green controlled up front and scored all goals. John-Paul Hallam came into midfield in second half relieving David who went into goal. John-Paul took control with aggressive tackles and intelligent ball distribution, playing a "blinder".

Today's match was played with confidence and control also exhibited on 4th July.

Congratulations to Alex Noble finishing off your efforts with 4 goals (is 4 a "quadtrick"). Wayne Jones (headed) 1, Michael Green 1.

-v- WOY WOY

We don't seem to have any luck at Fagans Park and lost 3 nil. Good defence from Clem Irvine and Trevor Jarvis. Best in attack were Peter and Phillip.

-v- WYOMING 1

The club match saw us attack their goal repeatedly in the first 15 minutes and suddenly the boys I thought, got tired or lost interest and we lost the game.

-v- KINCUMBER

Another first 20 minutes by the team was excellent. One would think we were on top of the competition the way the boys passed and controlled the ball. Kincumber finally got their act together and they then simply run us off our feet. Final score Kincumber 12 Wyoming 0.

-v- OUR IMBAH

Our old nemesis. We started the game brightly and had Ourimbah worried. Panic kicking cost us a few goals. Zoran did a magnificent job in keeping Andrew Murray quiet.

I felt the three positional changes in the game worked. Sadly, a few of the boys are simply not trying. I know we are up a division from last year but, team spirit should prevail at all times. Peter Jacobs and Mathew Beer had good games. Final score Ourimbah 5 Wyoming O.

P.S. Three goals by Ourimbah were scored from offside play. Don't forget our team B.B.Q. Saturday 20th September.

-v- KILLARNEY - LOSS 1-0

It was a disappointment to lose against Killarney. The boys played well but let their guard down for that single minute. We had numerous chances at scoring but just couldn't finish our play. Stars of the game were David Post in defence and David Allen in midfield and later in goals.

-v- UMINA - DRAW 1-1

This was a very fast moving game. We started by scoring in the first few minutes. However, this was disallowed, one of the many suspect decisions by the referee. Paul evened the score in the second half and hence Umina and the referee threw everything at us to try to turn the score. David Allen excelled in goals on the day. However, the result was a real team effort, to hold the score to a draw.

-v- TERRIGAL 1 - LOSS 1-0

We were unlucky to lose against the competition leaders. Thanks must go to Andrew Smith, David Hildritch and David McGarvey from the U13A. Also to Kieran Chambers. Each boy played excellently and fitted into the team without any hitches. Thanks to their parents for allowing them to help us out. Terrigal were under the impression we were on the bottom of the competition, we sure gave them a fright.

-v- TERRIGAL 2 - DRAW 2-2

This was the first game of our new round in the 'A' division. Ronan scored a top goal in the first half and Paul scored in the second half after a mistake by the goalkeeper. Jacob defended well and saved a certain goal in the early minutes. Others who excelled were James and Bjarke. Thanks also to Kieron for filling in again in our time of need.

-v- KILLARNEY - DRAW 2-2

On our last meeting Killarney defeated us by the single lucky goal and we missed many opportunities. It seemed it was our day with Paul picking up two nice goals in the first half. All appeared well with players like Glenn defending well and Andrew having a great game in goals. Then our game fell apart, bunching up in the forwards, no proper ball control and poor passing. We were lucky to hold Killarney out, especially with our favourite referee on our side - Ha!

I know you can do better than this boys, so remember if you want to get into the final four it's going to take 110% effort. This means getting control of the ball in the first instance and passing to a player with 'space' to allow 'time' to pass on again. These skills are only learnt by training.

MANAGER: TONY BAILEY

-v- UMINA - 5.7.87 - DRAW 1-1

We knew this would not be an easy game, it was made even harder by the poor refereeing. He allowed Umina players to get away with foul play throughout the game.

Only goal by Paul Ferguson's excellent shot into the corner of the net giving the keeper no chance.

Umina scored from direct penalty in the box, should never have been awarded.

-v- TERRIGAL - 11.7.87 - DRAW 1-1

Played all over Terrigal in first half with many shots just missing the goal mouth. Terrigal scored with their usual run-away goal with kicks over our back line and their forwards breaking through and only having the goal keeper to beat.

First twenty minutes in second half Terrigal was all over our players, only with excellent job by John Noble (goal keeper) kept Terrigal from scoring a second goal.

Our goal scored by Steven Kennedy who put in his usual 100% game when he fills in. Thanks also to Luke O'Toole, Kevin Flanagan and Steven George for helping out on the day.

-v- BUDGEWOI - 18.7.87 - WON 2-1

This game was dreadful to watch. Our boys were not able to play a reasonable game due to the constant foul play by Budgewoi players.

Goals - one by Ian Carstairs and the other own goal by Budgewoi.

John Noble goal keeper, saved some excellent balls and also top save by Darren Cocks who cleared one ball that got past the keeper and looked like it was in.

-v- UMINA - 25.7.87 - DRAW 1-1

This game against Umina was much better with the help from referee and two linesmen keeping the game far cleaner than the previous encounter.

Once again thanks to our goal keeper John Noble who had his best game so far only conceding one goal.

Our goal was scored by Ian Carstairs.

Player of the Month: John Noble.

MANAGER: IAN TURPIN

-v- GOSFORD - 27.6.87 - LOSS 7-1

Gosford took control of the game in the first half because we let them, the team that controls the ball controls the game.

When we did get the ball we gave it straight back to Gosford. Have a look before you pass the ball. Hesitation is still a problem, get that problem out of your game and we will be as good as the other teams in our division, as you have already proven this year. Work hard on your basic skills, not just at training, but at home in your back yard. Remember Practise makes Perfect

-v- SOUTHERN/ETTALONG - 4.7.87 - LOSS 8-2

A disappointing game from the team, especially from some of the defensive players undid the good work of our forwards, in order to strengthen our forwards I have had to weaken our defence - we have scored goals in our last four games, but have conceded a lot more goals than we should, because some players don't like playing in defence and are not making the effort, so its back to the old system.

I would like to thank Andrew Smith from the 13A for filling in while we were short, a fine game from Andrew.

Goal Scorer: Phillip Gordon - 2 goals, well played.

BYE - 11.7.87

-v- KANWAL - 18.7.87 - LOSS 4-0

Despite the score it was a fine effort from all the boys. Down 1-0 at half time due to a dubious penalty. The team continued to play well for most of the second half until a bit of hesitation and tiredness crept into the boys play when Kanwal scored three quick goals. Please keep up the good work fellas.

Stars: Bart, Phil, Daniel and Darkey

-v- OURIMBAH - 25.7.87 - LOSS 1-0

Another good effort from the team. Although we did not start to play until the last 20 minutes of the game.

With only three games left we cannot make the semi-finals of our division, so with the pressure off I will ask the team to use the remaining games and training nights to really work hard at their skills and enjoy the remaining games. I again ask all the boys in the team to eliminate the hesitation in their game, work hard on your basic skills in the off season and you will do well next year.

I wish to thank all the boys for an enjoyable year. I know we have had our ups and downs, but your manners and willingness to learn have been a real credit, and if any member of members of the team need any help with their game or skills, in the off season, please do not hesitate to contact me.

I would on behalf of the team and myself thank Ian Turpin for the fine job he did as Manager.

I would also like to thank our supporters for their support during the season.

I again wish all the boys the best for the future.

Stars: Stuart, Daniel, Bart.

#### PUBLICITY REPORT

In this publicity report or should I say Hat Trick Corner. Over the last few months I have been amazed with the number of hat tricks scored. This month we see a Family Affair when Joel Morris (7 Pumas) had to outdo his brother Adam (11as) by twice the effort by scoring 6 goals in one game. Well done Joel.

COACH: STEVE FIELD

MANAGER: BARRY CARTNER

-v- THE ENTRANCE - 11.7.87 - WON 1-0

This was a torrid game of soccer with The Entrance team more intent on taking the players leg than the ball, resulting in several injuries including Robert Bromfield's broken ankle putting him off soccer for at least 8 weeks. Bad luck Robbie but we all hope you return to play again. Stephen George, an U/14 player helping us out received a badly cut lip and we hope Stephen recovered and would like to thank him for helping out.

The game still managed to produce some highlights such as Connel Field's goal in the second half, Paul Ferguson near miss and solid games from Mathew Robson, Mathew Nash and Glen Frost.

-v- KANWAL - 18.7.87 - WON 7-1

The game started with a free kick to Kanwal resulting in a goal. However the team never allowed Kanwal back into the game after John McGarvey equalised. Goals were scored by Connel Field (2), Phillip Cartner (2), John Bailey and Jarrod Mobberley.

Outstanding player of the day was Simon Andrew playing in his new position of sweeper and he was closely followed by Ian Carstairs who tried everything to score but was unlucky.

-v- BUDGEWOI - 25.7.87 - DREW 0-0

This was our hardest game this season and the team is to be commended for the determination they showed against a Budgewoi team who outsized them but could not outskill us. Simon Andrew had another good game and was well supported by John McGarvey, Kevin Flanagan and Mathew Conroy. The return to goal keeping form by Colin Lubsey was the highlight of this game, keep it going Colin.

MANAGER: DENNIS HULSTON

-v- SOUTHERN/ETTALONG - LOSS 5-1 - 5.7.87

It was a really good game of soccer to watch against the leaders of the competition. Our side was playing with a lot of determination, the score at half time was only one nil and they were getting worried. Paul Lindsay saved some really certain goals, the second half was just as thrilling as the first. Southern scored a quick goal, but we came back fighting with some good passing and put Stuart Finlay into the clear and scored a well deserved goal. Then the wheel fell off, Darren Pye came off injured, the back line was reshuffled to let Derek Mayes and Under 13A to take the field and held his own against the big boys. I would like to thank Bradley Campbell for backing up for reserve, thanks to both boys. Well done.

-v- UMINA - 12.7.87 - LOSS 1-0

I did not see the game, but the Coach and parents tell me the team played really well. We were very unlucky to lose because of the shortage of players with flu and other commitments, but many thanks to Derek Mayes again - keep this up and you will get a permanent position, and also thanks to Alan Howard for helping Steve manage the team.

-v- THE ENTRANCE - 19.7.87 - LOSS 3-1

I wish we could get a proper referee, because the make up referees are bloody hopeless because if you are the home game, he seems to bear their way. The boys come to play soccer not to be knocked and punched and pushed around the bloody oval. Next time we meet them we hope there will be a proper referee and the shoe will be on the other foot. Keep trying.

-v- GOSFORD - 26.7.87 - WIN 1-0

A well deserved win. The team played terrific passing and backing up the player. With only a few more games to the grand finals this is what we wanted, A good goal scored by Stuart Finlay, If I was giving points out I would give every player in the team three points.

I hope we can keep this form up and we will be in the Grand Final.

#### LADIES REPORT

WYOMING 2 - BUDGEWOI 3

A bitterly disappointing performance from the girls as they struggled from start to finish to become totally involved in the game. Maybe the loss will serve as an awakener to our attitude and dedication.

#### CONGRATULATIONS

To Lisa Van Dorp, Karin Wilkinson, Diane Fathers and Michele Davidson who were members of the successful N.N.S.W. U/18 team that won the Australian Championships in Brisbane during the July School Holidays.

At the completion of the Championship Lisa Van Dorp and Karin Wilkinson were once again named in the Australian Youth Squad. Well done girls.

#### SENIOR SCENE

##### 1ST GRADE

The results last month have not been encouraging with the only bright spot being that the side has eliminated the chance of being relegated. At this point the side is 6 points clear of Killarney with only three games to go. Although there has been patches of good soccer through all games there had unfortunately been too much loss of concentration which has resulted in demoralising goals against.

Results last month were:

5/7/87	Terrigal	0-2
12/7/87	Killarney	3-1
19/7/87	Entrance	1-6
21/7/87	Woy Woy	1-2 A.N.Z. Bank Cup
26/7/87	Budgewoi	1-4

With only three games remaining the team can only concentrate on gaining competition points off semi final contenders. Games remaining are against Wyong, Southern Ettalong United and Swansea United.

The team will need to lift their overall performance but certainly can be achieved with the talent available.

##### RESERVE GRADE

This side has had some hard luck this season and last month was no exception. The team unfortunately is its own worse enemy.

Results

5/7/87	Terrigal	0-0
12/7/87	Killarney	0-2
19/7/87	Entrance	2-1
26/7/87	Budgewoi	2-3

Capable of playing good soccer the team regularly gets into top gear only to see simple errors erode all the good work.

A team with a lot of potential.

\*\*\*\*\*

#### 4TH GRADE

-v- SWANSEA - 21/6/87

Fortunately for this game we only had enough players available to play the game which we had to win to keep our chances for the semis alive. Having no reserves meant players playing out of positions so we hope this doesn't happen again. We started the game very well and after 15 minutes Stuart Lennard had scored after a good set up from Brad Penny who beat two defenders. This lead was short-lived as a back pass to the keeper was intercepted by Swansea to score to level 1-1 half-time.

The second half was dominated by Swansea who seemed to play at will and scored 2 more goals in quick time to end up winning 3-1. The players have to realise the game is played for 80 minutes and we cannot win if we are not going to commit ourselves to the task.

-v- WOY WOY - 28.6.87

After the previous weeks effort this game was played much better by our players who had as many good teamwork as the opposition. It was pleasing to see the players do as much work when we didn't have the ball so we could put pressure on Woy Woy for the whole game. Play continuously went from one end to the other with little opportunities of having a clear shot at goal.

Woy Woy scored first when a mistake out of our goal mouth had given Woy Woy a chance to score. An own goal by Woy Woy from a back pass had given us a lift in confidence to level 1-1. With little opportunities of scoring the game looked like being a draw but with an inexperienced referee, he awarded a penalty to Woy Woy which should not have been given. Woy Woy won 2-1 and our players were unhappy and did not deserve to lose. We have not had an official referee for our games this season and it is unfair to the players as were often badly mistreated.

-v- BERKELEY VALE - 5.7.87

Our good performance from the previous week had carried over to this game and the score was a good 4-0 victory to us. Playing against a team that is on the bottom of the ladder the players always seemed to be in the right position to play the ball to their support and then backing up.

Goals were scored by Joe Ringuet 2, Stuart Lennard and Mark Ilitch. It was good to see Mark Ketley play very well in his first game since his nasty injury from some months before. With some good displays in the last 2 games we will be ready to cause a few headaches to our opponents as we are keen to score as many competition points as we can.

-v- BUDGEWOI - 12.7.87

Budgewoi are leading the competition and they showed they are a tough team to beat. Wyoming played this game with a lot of spirit and often matching the opposition with toughness. A fine save from a penalty kick by keeper Gary Huxley showed how much we wanted to win the game. Nil all at half time all credit must go to the backs who constantly overcame dangerous situations as Budgewoi always looked threatening our goal. Our midfield has to learn that teamwork will always be better if they play as a unit instead of individuals.

Losing 2 players with injuries early in the second half showed how hard the game was played. Budgewoi player blocked a clearing kick and having a good bounce only had the keeper to beat to score their only goal. The players to their credit kept trying and even looked like scoring before the end of the game but it was not to be. Result 1-0 loss. In the first round we lost 5-0.

-v- SOUTHERN ETTALONG - 19.7.87

This was our first game at Alan Davidson and the players appreciated the opportunity. Unfortunately Ettalong played top soccer on the day to show they are in with a chance to win the competition.

.... /over

#### 4TH GRADE (cont'd)

Ettalong led 3-0 half-time and looked like setting a big score but Wyoming had made their task a lot harder with better positional play but did not have enough opportunities up front to score. With limited opportunities Ettalong still scored another 2 to win 5-0. It is hoped that the lesson shown by Ettalong on how to play individual and team soccer can rub off onto our players who would gain a lot of experience.

\*\*\*\*\*

#### SOCIAL SCENE

-v- KINCUMBER - 11.7.87 - 11-0

It's a funny game soccer always full of surprises. A few weeks ago this team held us to a 2-2 draw, and last week we beat them 2-1 in a round robin. Naturally we expected a close game and nothing could have been further from the truth.

Leading 6-0 at half time its a credit to the team that they felt motivated enough to score five more goals. Top games by Warren Snashell, John Colthart and Mike Duffy, who was replaced after scoring a hat trick (no lairs allowed in our team). In fact everyone played well, I really can't think of a weakness in the side.

-v- SOUTHERN ETTALONG - 18.7.87 - 8-1

Once again the team got it's act together, and a big score resulted. No one played better than Mike Duffy (five goals), but plenty played as good as him.

We welcome Ian Kitching to the team (I don't know why I've said that, its my place he's taken). Ian was a regular with Wyoming a few years ago and played strongly at centre back. Good games also by Neville Kirk and Jed Creegan, but special mention to John Clucas, if he was a horse he'd be called Phar Lap.

#### THE BIG SEVENTY

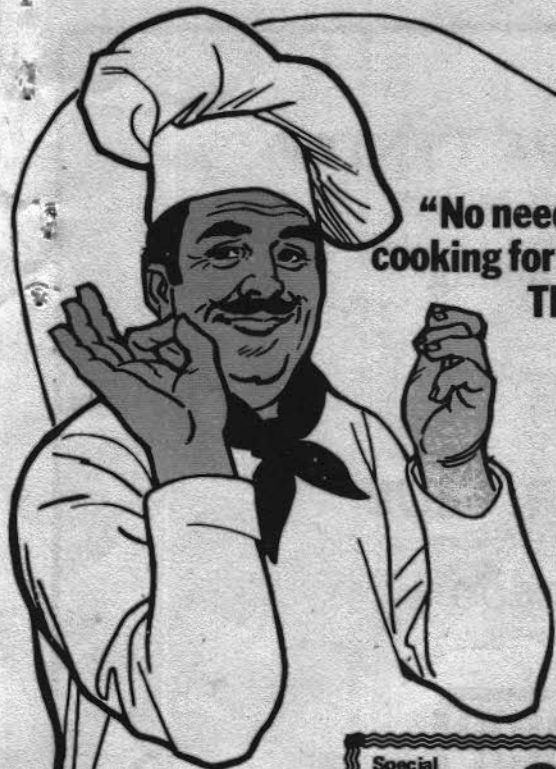

Congratulations to the team for playing their 70th consecutive game without loss.

25.7.87 - GOSFORD CITY - 3-0

The last time we played this team the game was abandoned, and I'm sorry to say that it almost repeated itself today. I'm afraid certain players in the Gosford team just can't accept the fact that they are not as good as they think they are.

On a positive note, two goals by John Podgorski and one by Mike Duffy gave Wyoming a comfortable win. Everyone played their usual good games, although George Crew has been banned from all future knock-out games.
