SECRETARY'S REPORT

Well for what has been an extremely long season it is now at an end. We hope that this exceptional season has not deterred you from future seasons with us; surely we couldn't have another quite like the way this turned out.

CONGRATULATIONS to the following teams for reaching the final series:-
10A, 12A, 13A, 14A, 15A, 11C1, 13E2 14B, Reserve Grade and Third Grade.

A few notes of appreciation are in order at this time. Firstly to the Coaches and Managers, thank you for the great job you have done. It is not easy having to do the little things like remembering oranges, the dreaded Tiger Tales reports, raffles, looking after equipment etc. We all understand how much effort and time you have to put into running a team and we greatly appreciate your efforts.

Thank you to all the players for conducting yourselves in such a sportsmanlike manner, we hope you had a most enjoyable season and certainly hope to see you all next season.

We would like to recognise all our sponsors:- State Rail; Terrigal Taxation Services; 3M Health Care Group; Lee Automotive Services; Jafco; Narara Plumbing Services; Benchmark Building Supplies.

We would like to recognise some junior boys namely: Bradley Phillips, Matthew Beer, Greg Edwards, Raymond Mitchell, Wayne Pagden, Shannon Young, David Maryska, Andrew Glendenning, Ryan Marshall, Neil Cox, Gavin Singh and Arron Hughes who have turned up week after week to help us by refereeing the non competition games. It has certainly taken the strain off the committee and the coaches and managers. Thank you boys.

Our Annual General Meeting will be held on Monday, 23rd October, 1989 at Alan Davidson Oval at 7.30 p.m. As several of our committee have already advised they do not intend to seek re-election for the 1990 season we would really like you to put some thought into giving us some help in this area next year. If these positions are not filled we will not be able to run the Club successfully. The positions vacant at the moment are President, Vice President, Fixtures and Committee person but you may stand for any position you wish.

The people not seeking re-election namely Steve Field, Garry Smith, John Moberley and Dave Flanagan we wish to thank you for all the work and time and effort you have given the Club during the season and wish you every success in whatever you intend to do in the future.

We would also like to thank our first grade coach, Kevin Best for all his years, time etc. he has given to our Club and we extend our best wishes for success in your forthcoming representative efforts.

Congratulations to George Cousins who is to be senior grade coach for the 1990 season. We wish you all the best George and look forward to a very successful season.

If anyone is interested in Coaching or Managing a team next season I would be pleased to hear from you.

Registration Days for 1990 season will be held (probably at the Guide Hall) on Sunday 4th February, 1990 and Sunday 11th February, 1990 from 9.00 a.m. There will be a notice in the Express at this time.

Hoping you all have an enjoyable summer break and look forward to seeing you all again in 1990.

Marlene Bailey,
Secretary.

FIRST GRADE

THE LAST HOORAH!

I have an empty feeling writing this article as it will be my last for some time. Although I am moving into the area of Central Coast Representative Club I will still be around but obviously not in an official capacity.

For fifteen years I have been involved with the first grade team either as a player or as a coach. During those years I have fond memories of the people I have met and the times and events that have resulted. I can assure you that they lie deep in my heart. Thanks for the memories. I have simply decided that I need a change and that the club also needs a change.

This year was a disappointment to me as I had great personal expectations of the first grade team, to show their true worth. It wasn't to be and in the end the team had to fight for survival and fortunately luck went our way with the results from other games.

The team has now the toy of the SURVIVERS and I only hope that next year's coach can get the team out of the beginning of the season apathy and pick up points from the start rather than half way through the season. If that materialises I believe that the team will be a force to be reckoned with.

This season was again a delight to witness the improvement of the youngsters in the team notably Connel Field, Jarrod Mobberley, Phil Cartner, Kevin Bush and Peter Neilson. The average age of the team this year was 21½ and if one thing over the last three years I have been able to achieve is the initiation of the teenagers into the team and with good results.

Even taking this into account the team I feel with all its youthful exuberance still requires a GENERAL or an old head that can run the team in game situations out on the field. The players in the team this season were the best in the club and it is a credit to them that they attained that honour.

The squad this year was
Peter Neilson, Craig Matuschka, Connel Field, Jarrod Mobberley,
David Taylor, David Talbot, Warren Malcolm, Phil Robson, Lindsay Webb,
Kevin Bush, Phil Cartner, David Vickery, Manager Roger Illitch (Snr).

Many thanks are extended to Roger for his patience and assistance and advice throughout the season. Also thanks must be given to Thea Field not just for this year but for last year as well because I completely forgot to last year, for her aerobics classes at the beginning of the season. A great way to condition those summer weary bodies.

Thanks to George Cousins for his advice and assistance throughout this year and of course the Reserve players who backed up and assisted 1st grade where necessary. I know its painstaking to sit and wait on the bench not knowing whether you will be required to play.

The awards this year are:

Player of the Year	Connel Field
Rookie of the Year	Jarrod Mobberley
Coach's Award for the best trainer	Phil Cartner

In conclusion let me thank the players for their co-operation and the way that they represented the Club at all times. I will always remember this year.

Kevin Best
Coach.

RESERVE GRADE

It is with great pleasure to write for 'Tiger Tales' last edition for the year.

At the time of writing we are anxiously awaiting Grand Final day against The Entrance. The lads when on their best form can match any team in the competition.

The fact some weeks ago that we might not make the final four had a sobering effect on the Reserve grade and grabbing their chance came from fourth spot to the grand final.

Thanks to Steve Farthing and the boys for a great effort.

Memories of the Year - Lots of them.

Stephen George's debut in goals, Steve Farthing's winning goal as a sub in a Tooheys Cup Match, Brad Strachan's famous own goal, Mark Porter's little lad as mascot, Danny Carter's overhead kick, enquiries about our eligible bachelors John and Glen, Dean Gayford's little drag with the ball, Steve Frame's new baby, Mark Green's beloved Norths, Dennis Freyer's island holiday, Michael Strachan's silky skills, Dave Gilbert's dispensary at Kakadu, and Darryl Jones' speed.

The young talent at the Club is most gratifying due to Kevin Best's encouragement of youth. Our team boasts of 16 and 17 year olds who with dedication can surely make the first grade side.

My thanks goes to the Wyoming Club officials for their help in my first year with the Club.

No team can ever be successful without the efforts of good managers. The Club and particular this team have two gems in Tony and Marlene Bailey. Their efforts have played a big part in our march to the grand final.

My relationship with the other two grade coaches have been excellent and I consider not only coaching colleagues but personal friends.

To Kevin who is moving on to coach reps. I wish all the best and Pat will be with us next season.

Each week I have endeavoured to leave a message on the blackboard in the clubroom. I will finish with my two favourites

"THERE IS MORE TO GOOD FOOTBALL THAN SIMPLY KICKING THE BALL, APPEARANCE, SELF CONFIDENCE AND BEHAVIOUR MAKE A GOOD START."

and last but not least

"TIGERS ROAR, PUSSYCATS PURR".

See ya soon,

George Cousins,
Coach.

THIRD GRADE

Grand Final on Sunday.

What a year; 9 o'clock start on a Sunday morning is no ones ideal of a good thing. We have had our ups and downs throughout the year but in the end everything came together and we now face Southern Ettalong in the Grand Final.

I would like to thank all the players (too many to mention) for their support all through the year.

I would also like to say a very big thank you to Tony and Marlene Bailey for all their work and help for without them we would never

UNDER 17

Well boys this report has the heading Malcolm Moffat, Coach;
I'm afraid I didn't do much coaching.

The start of the year when we were training at the squash courts most of the lads were keen, but gradually players were dropping off when it got to the stage when only 4 or 5 players were turning up. Namely Brad Place, Phil Gordon, Greg Edwards, Greg Preston and Adam Turpin. Guys the older you get the more training you need. After saying all that I must say the team spirit was great, we finished sixth in the competition but during the year we lost players to the seniors plus we gave away a number of stupid goals which didn't help our cause at all.

Special mention to the parents, the general trend in sport is the older the kids get the less parents you see, but not in this team the response by the parents was great. Well done mums.

The best and fairest award has gone to Phillip Gordon and most deserving too. Throughout the year he has used his height and long legs to a great advantage. Well done Phil.

The Coach's Award went to Adam Turpin. Adam was one of the first lads that I ripped into at the start of the year. He changed his style of play and listened and finished up the most improved player in the team. Well done Adam.

David thank you for putting up and organising me for the year. A Coach is like a bull - - - without a good manager.

Guys I would just like to wish you all the best in your soccer and general life. But remember guys always be prepared to listen!!

Malcolm Moffat,
Coach.

SECOND DIVISION A

This was my 5th year playing for Wyoming and this year I found myself being captain/coach/manager/orange cutter for the A side in the second division competition. With a team of mostly newcomers to the Club, plus a few players advancing from under 17s, and constant weather interruptions made finding a team combination difficult. We spent most of the year in 4th place but finished off disappointingly and ended the season in 6th place. Too often we couldn't field 11 players for various reasons and this eventually took its toll.

Points for the Player of the Year was strongly contended for by several players. With Michael Bewley's ability to score goals as well as save them, strong games from Ken Kir' and Kurt Jones and Jeff Hall improving throughout the year, it was always close. But the points finished in favour of Eddie Scott. Eddie gave a consistent and strong performance every game as right fullback made him a natural choice for the award. My congratulations go to him for a very well played season.

SECOND DIVISION A CONT'D.

The coach's award goes to a player who deserved to be playing in the higher grades of the Club but has had some bad luck with injuries in the last 18 months or so. John Shaw broke his collarbone in the last few games of the '88 season and was originally selected for third grade this season. But in the very first competition game this year, he came out second best in a collision with a goalkeeper which resulted in breaking some ribs and puncturing a lung. John was understandably relectant to play again but was coaxed to play in second division and his efforts this year earned him this award.

To finish up, I'd like to thank all the players for their efforts throughout the year and wish to congratualte the other senior teams, especially reserve and third grades for their outstanding success for this year.

See ya next year,

Glenn Mayall,
Coach.

SECOND DIVISION B

Second Division B might not have done as well as we would have liked, its my opinion that if they had put as much effort into the games prior to the last game of the season, we would have won more than we lost. 'Well done fellers on that last match'.

Also the "Grange" is not a very good preparation ground for winning games. More fancy footwork than bending elbows.

If all the players turn up next season at Alan Davidson Park for at least one preferably two training nights, maybe you'll at least make it to the semi-finals. For the sake of the game and your own self esteem I do hope so.

Better luck next year,

Bill Bulmer,
Coach.
