SECRETARY'S REPORT

Welcome to another season. Do hope you have all settled into your teams well and are enjoying your games.

Congratulations to Samara Rabe and Kylie Stewart who have selected in the Representative Squad to represent the Central Coast Women's Soccer Association Inc. at the Branch Titles at Swansea over the June long weekend. We wish you both every success.

I have a few items which I would like to remind previous members of the Club and also any new members.

1. Coaches and Managers - please note Team sheets have to be filled in correctly with full christian names and surnames, identification numbers, and if competition, all players have to sign. You are also required to sign the team sheet after the game to verify the referee has put the correct score down and also the correct replacements. Failure to carry out these things each week results in our Club being fined. The money to run the Club is too hard earned to be wasted on fines.

2. We would really appreciate it if you have some time to spare either Saturday or Sunday to help in the Canteen. Mums and Dads or Grandparents are most welcome but unfortunately due to insurance reasons children under the age of 18 years are not allowed in the Canteen.

3. On Sunday 22nd May, 1994 we will be holding our annual U/7 gala day and if you could spare any time to help it would be most appreciated.

4. We would like to thank all the people who helped with the selling and buying of the raffle tickets for the bicycle. We raised \$ 1,215.00 and it was won by Jordan Vanderkroft from the U/7.4 team.

5. We will be holding our first social function of the season on Saturday, June 25th at the Senior Citizens Club and we would love to have you all there as we have a terrific time. Please watch out for tickets which will be available at the Canteen shortly.

6. It would be appreciated if you could refrain from parking your cars in the entry way to Alan Davidson Oval as it makes it hard for the cars to come in and out.

7. In the case of wet weather on a Saturday please do not telephone 2GO or Coast Rock but telephone your Coach who in turn should have telephoned Dave Bowcott. By doing it this way it helps to get everyone through without jamming the lines up.

8. We would like to thank the many sponsors we have in the Club this season and it would be appreciated if you could look at the advertisements enclosed herein and if at all possible when you are looking for goods if you could support them and tell them your are from Wyoming Soccer Club it would greatly help.

9. Thank you to the people who have volunteered to help mark the fields each week, and referee the non competition games and help in the Canteen your efforts are very much appreciated.

10. In the case of accidents occurring you firstly have to report the incident to your coach or manager who in turn will report it to me. You have to collect official claim forms from me to be filled in by yourself and the doctor concerned and then returned again to me and I will then forward them to the Association. The forms cannot be sent directly by you as they will not accept them if they are not signed by me. The return of the medical form has to be to me within two weeks as we only have a certain time to lodge a claim.

If you have any queries or problems at any time please do not hesitate to telephone me.

Yours in Soccer,
Brian Mottram

FROM THE TIGER'S LAIR

WHAT THIS IS

This section was started a few years ago, and has been resurrected. It is a place where any bits and pieces of news can be put in. It isn't a forum for any particular point of view. It's more a place where all the unimportant but interesting news can be read. So, if anyone comes across something they think may be worth remembering, let us know and it may appear. We do **not** pay for articles!

TIGER TALES

Despite dire predictions, Tiger Tales is out, and will be out about every month during the season. It's a lot of work to produce a magazine like this, so I'll hope everyone is forgiving if it's a bit late this issue.

What we are always short on is NEWS. So, everyone, you too can be a reporter for the Tiger Tales. If you have anything interesting to report, any funny incidents, any great successes on or off the field, let us know. Every little bit helps.

ADVERTISING

As you can see, there are one or two adverts in this magazine. These are from firms that in some way or other help Wyoming Soccer Club. They may be sponsors of teams or just people who wish to advertise. Have a look at the ads, and see if you can take advantage of their services. If club members support them, they will support Wyoming!

QUOTE OF THE MONTH

Under 16 girls coach John Stewart watching his team beat second place Ocean Beach 5 to nil:
"They should have put us up against Manchester last night!"

FA CUP NIGHT

Speaking of the FA Cup, a great crowd of Wyoming players and supporters got together at the Valley Tavern to watch the final. Good money was raised for the club on the night. NIGHT!!! I got to bed at 3.45am... should have stayed to watch the sun rise!

There was a good cross section of the club at the do. Senior players predominated, but were kept in check by general supporters, and one particular mob of non-comp coaches, managers and parents who were determined to uphold the honour of the younger side of the club. Hope you all got home OK.

CANTEEN NEWS (ie Loaves and Fishes)

The canteen is our biggest money earner, and without it the club would really struggle. So, anytime you are passing, how about popping in to help for a while? Some of the mob running the canteen never get to see their own kids play because they are working there.

One thing about Wyoming Soccer Club... we never knock back help!

TEAM SPIRIT AWARD

I haven't got to see every team in the club yet, but one thing stands out. If you want to see the best team spirit and the best attitude to coaching, go have a look at the two Under 6 Kindy teams training on a Wednesday afternoon. I have never seen such an atmosphere of enjoyment in a long time, and that's so important. If only every team in the club could have the involvement from both parents and kids that these two teams have. Congratulations, Kindy's.

SOCIAL NEWS

Elsewhere in this magazine you will see an ad for our up-coming dance. Soccer life is more than just on the field, so come along and bop till you drop.

Many thanks to the people who put this magazine together, notably Marlene Bailey and Peter Tree.

See you round the fields.

A good start to the competition with Timothy Trippier ably assisted by Sean Bendich in saving many goal attempts by Terrigal. Congratulations also to Shawn Wiggins who scored two goals and to Matthew Cross, Mathew Sims, Stephen Watterson, Daniel Cockerell and Blake Crowther who all supported well.

-v- WYOMING 3 7:0

It was a terrific match with all players contributing to a 7:0 win. The goals were scored by Shawn Higgins (5), Matthew Cross (1) and Timothy Trippier (1). Sean Bendeich was great in defence stopping most stray balls from reaching the oppositions goal. Stephen Watterson, Mathew Sims, Blake Crowther and Daniel Cockerell all showed great improvement in their ball skills and enthusiasm throughout contributing to a very interesting game.

30.4.94 -v- OURIMBAH 1 19:0

The boys played extremely well overpowering their opposition 19:0. Goal scorers were Shawn Higgins (11), Timothy Trippier (5), Matthew Cross (2) and 1 unknown goal. Man of the Match was Steven Watterson who showed greatly improved ball skills.

-v- TERRIGAL 6 1:4

Its been a hard start to the season with injury to the Coach. Given the amount of preparation the team played well and all enjoyed themselves. With more practice I'm sure there will be much improvement.

-v- 6.4 SHARKS 0:2

A very exciting game. The Dolphins have definitely shown a marked improvement since last week. Richard Kennewell was player of the week, he saved plenty of goals playing in the fullback position.

30.4.94 -v- OURIMBAH 1:4

Amanda Eggleton played well saving goals and following the ball. Overall the team has shown improvement but still tends to stand back and watch. More encouragement is needed in this area so they will be less apprehensive but given the players enthusiasm I'm sure they will improve. A big thanks to Timothy Trippier for being a reserve and also scoring the goal.

All players tried very hard in what was a game where we learnt a lot. Special mention to Player of the Week Christopher Sackett.

30.4.94 -v- GOSFORD 4 1:1

Our best game of the year with all players contributing well. Very hard to select a Man of the Match with the decision finally going to Simon Glendenning for a great all round game.

7.5.94 -v- OURIMBAH 5:0

A really good effort from the whole team. Good passing and chasing helped create our first win of the season. Keep up the good work. Man of the Match - Adam Toomey.

6.4 SHARKS

COACH: Ingrid Donnelly

MANAGER: Michael Cribb

9.4.94 -v- EAST GOSFORD 3 2:1

The sharks had a great first game winning against East Gosford 2:1. A terrific first half with an excellent goal scored by Scott Carey and our goalkeeper Michael Donnelly stopping anything near him. Great defence from Michael Hard, Phillip Doffay and Brendan Lowbridge kept the opposition in check. The second half produced a match winning goal.

23.4.94 -v- WYOMING 2 2:0

The boys had a good win, with great goalkeeping from Daniel Steinbeck and Michael Donnelly. James Darch managed two goals with close misses from Ben Cribb, Scott Carey, Phillip Doffay, Michael Heard and Brendan Lowbridge. The team is improving every week.

16.4.94 -v- EAST GOSFORD 3:0

A great win due to the effort of the whole team. Chris, Ian and Jason all scored goals with Tim unlucky not to score on several occasions. Jason was the big improver and nominated Player of the Week.

30.4.94 -v- EAST GOSFORD 1 1:10

9.4.94 -v- GOSFORD 2 3:1

Gosford scored first but the boys kept trying and Matthew scored three great goals. Daniel saved some goals in the first half then played well out on the field. Danny was keeper second half and demonstrated some great skills. Cody, Tyson and Timothy ran hard and played well in defence. Your Coach would be proud of you!

24.4.94 -v- EAST GOSFORD 2:2

Welcome our new player, Tim Page, who played a great attacking game. We had many attempts first half but were unsuccessful because of the opposition's great keeper. Behind two nil, the boys kept trying and we equalled the match with two great goals from Matthew. Daniel, Timothy, Tyson & Cody played well.

30.4.94 -v- TERRIGAL 2:4

We met a very good Terrigal side and we were in front at half time. However, Terrigal played well in the second half and were lucky to get their last two goals. Timothy Page was Man of the Match and is improving every match. All other boys tried hard.

7.5.94 -v- TERRIGAL 4:0

Boys got it together and were up two nil at half time. Matthew scored three goals and Cody got one goal. Goals were also attempted by Timothy Packer, Tim Paige and Danny. Kieran was our Man of the Match. Other great players was Tyson, Danny, Matthew, Cody, Keiran, Timothy and Tim. Coach would be proud.

8.2 FALCONS

COACH: Ian Shute

MANAGER: Craig Wasson

9.4.94 -v- OURIMBAH 1 4:0

A good start to the season with both teams feeling the autumn? heat. Chiji played as reserve and as usual gave his best putting in the first goal. Andrew played goal first half and put in a non stop effort in the second to net two balls. Aaron scored the fourth goal, but along with Cameron played well in patches. Scott, Eden and John all did their best with good clearing kicks and hard work in the midfield. New boys Mat W., Mathew D. and Alex all got more involved in the game and showed a marked improvement to the trials. Keep up the good work boys. Well done.

23.4.94 -v- WYOMING 4 0:0

A good pin ball machine game with both teams trying but nothing coming off. Eden and John did a good job at fullback, Cameron & Aaron tried hard (new boots for both), Andrew and Keith were both full on running but couldn't finish it off. Scott grafted away in the midfield (whatever happened to his big foot). Mat D. and Mat W. again showed a big improvement and Paul played well for his first ever game. Well done boys, keep trying the wins will come.

23.4.94 -v- TERRIGAL 2 1:2

Better days ahead boys, John made some fine saves in goals and played a solid game on the field, same with Mat W. both in general play and in goal and the second half Mathew D. and Alex are showing improvement and wanting to get more involved in the game, keep trying boys. Scott played a good blocking game in the midfield, Cameron & Aaron did their bit but again only in patches. Andrew and Keith lead the way both were full of running for the whole game. Eden again put in his usual good game at fullback but too often was left by himself while others stood and watched. Keep trying boys, you will win more than you lose.

30.4.94 -v- UMINA 2 1:0

A hard fought win with all boys playing well. Eden and John at fullback blocked many raids on our goals with good clearing kicks. Scott, Cameron, Matt D., Mat W. and Alex did very well controlling the midfield. Keith showed great speed running the ball from one end to the other only to have his shot blocked by the

keeper. Andrew and Aaron both had their shots blocked or go wide after good runs. Chiji decided enough was enough and put in one of his specials from halfway. Well done boys, keep trying, don't forget to wear your Tiger caps, thanks to Mrs. Bond.

7.5.94 -v- KINCUMBER 4:2

A good win in very soggy conditions, the heavy pitch bought out the best in the bigger boys, John & Scott both played well in the slower going.

Mat D. and Mat W. again improved showing they want the ball more and run it more. Alex is getting more involved in the game now and trying to do his best. Eden again blocked and cleared very well from fullback. Andrew and Aaron played a good running passing game with Andrew two goals and Aaron one. Thanks to the two boys from the 8.4s Paul Devoy and Chris Benterman who made up the numbers. Both played very well and showed plenty of skills with Paul scoring our first goal. Thanks boys. Also thanks to Snowy who was ready to play in goals if needed.

30.4.94 -v- KINCUMBER 5 6:0

"What a team". Luke Suters scored a goal in the first half as well as Daniel Agius. In the second half Paul Devoy put one in with ease and Daniel Agius powered one in again. Bad luck to Kincumber 5 but its great to win.

23.4.94 -v- WYOMING 2 0:0

It was a well even game with both teams playing well. New player Paul Devoy totally deserved Player of the Week, but as always the whole team played well.

16.4.94 -v- UMINA 0:1

The first half resulted in no goals with both teams defending their goals well. In the second half Kyle Rich went into goals saving a few close ones. Sadly, near the end of the match Umina scored a goal.

Scoreless first half, thanks mainly to Terrigal's keeper. Continued pressure in the second half and consistently good lead up work. Tim Pulo awarded with a goal late in the second half, and almost another a minute after from Chris and Adam.

23.4.94 -v- BUDGEWOI 3:2

It seemed the boys wore themselves out in the break, not much effort by anybody in the first half. A different team after

halftime with lots of opportunities. Don

An excellent game by all, especially the defence, with Ben Parker receiving the Achievement Award as goalkeeper. Even the parents got involved as the team had their first win. Goals scored by Daniel Wheeler and Jeff Tomlin.

was a lot happier now. Goals scored by Mark Bonello and Adam Packer.

23.4.94 -v- KINCUMBER 2:3

It has been a very long day for the team, again communication was a problem in the first half of this game, some good saves by Dale Mobberley in goal and again Mark Bonello scored goals.

23.4.94 -v- BERKELEY VALE 4:1

A very good effort by all the boys in the first game of the day, lots of opportunities, goals scored by Mark Bonello, Adam Packer and Chris O'Rourke. Well done team.

30.4.94 -v- TOUKLEY GOROKAN 1:3

Our second loss for the day. It wasn't the opposition that was so convincing, our boys just played absolutely terrible. They did have their chances, but just didn't have the go-for-it. Goal by Mark Bonello.

7.5.94 -v- SEU 3:2

After being down two goals at halftime, our boys just had to lift their game 100% and they did some good passes by Karl and Adam Packer. Goals scored again by Mark and Chris. Communication amongst the boys still a problem.

COACH: Ray Lincoln

MANAGER: Stephen Croker

9.4.94 -v- UMINA 3:2

One player and one goal down after half time. The boys came out and played really well in the second half scoring three goals. Eric and Jonathan played well and Brett did a good job in goals.

9.4.94 -v- TOUKLEY GOROKAN 1:4

The boys all played really well. They lost 4:1 but they were down a player in the first half, and two players in the second half. Nathan had a battle on his hands in goal and did really well to stop the score being 10:1. Robert and Dane both tried very hard in midfield. Well done!!

23.4.94 -v- TERRIGAL 0:3

Bad luck boys! It was a bit hot out there and the boys started to walk towards the end. Brett pulled off some great saves. Robert Blackley and Scott tried hard as well. We need more shots guys.

23.4.94 -v- KINCUMBER 1:4

We won the second half with a good combination goal from Todd, Michael and Robert Lenehan. Brett and Aaron picked up the points. The whole team lifted for the second half.

23.4.94 -v- WYONG

Big efforts from the boys playing one down in numbers.

Some good runs by Billy-Joe and Robbie. Scott made some great saves in goals. Excellent effort from Andrew.

9.4.94 -v- OURIMBAH 0:7

With only seven players our boys put in a credible performance. Some fine runs by Robbie and Billy-Joe. Lots of good defensive work by all the boys.

9.4.94 -v- SEU 0:5

A great effort considering we had only nine players. Scott put in a lot of hard work in goals with some excellent saves.

30.4.94 -v- TERRIGAL 0:0

What a great game. Welcome Brett Healey our new player who received the

Player of the Match award. Great defence by Anthony and Jason. Good backing by Andrew.

30.4.94 -v- THE ENTRANCE 0:4

In our second game for the day the boys although tired, put in a good effort against the fast Entrance side. After only conceding one goal in the first half The Entrance ran away with the game in the second half. More fitness needed boys.

7.5.94 -v- WOY WOY 0:7

With only ten players not a bad effort. Second half was a big improvement with good running by Billy-Joe and Sean. Big effort by Brent Connor.

7.5.94 -v- TOUKLEY GOROKAN 1:4

Great first half. Big effort by Andrew. Brendt had a great game making some big breaks. Some very good saves in goals by Billy-Joe. Both Jasons did some very strong kicking.

The half time score was 7:0. In the second half the team played a blinder with Dana Worthington, James Griffin and Tyson Brotherton standing out in a great effort by everyone.

Individually good efforts from the team but more combination is needed. Hassan, Tariq Amin and Michael Robson were the best on the day.

16.4.94 -v- KINCUMBER 0:1

A match played in the mud. The team needs to be more aggressive in our tackling and our forwards lacked speed. A good debut by Robert and an excellent performance by our goalie - Mitchell.

23.4.94 -v- KILLARNEY 0:12

With only eight players available the task was always in front of us. The team was well defeated on the day due largely to our negative attitude. The boys will need to develop more confidence in their abilities and play accordingly. We need to think more about our game and take more care in giving too many soft options to the other side. A better second half performance by the boys.

30.4.94 -v- GOSFORD 0:2

One of our better games for the season. Our boys showed much improvement in defence and were looking for opportunities for most of the time. Positional play was very good in the first half but some extra effort on speed training is required. Well done boys - a win is getting closer.

7.5.94 -v- UMINA 0:7

The boys need to believe in themselves more. They need to work at home with the ball to grow their own confidence and bring up their skills. We need to take the knocks in soccer and bounce back quickly.

Our team dominated from the start leading 5:0 at halftime. Good goals by Dean (3), Nathan (2), Carl, Gavin. Passing and skills made all the difference against a harmless team. Our players all gave their best and the coach **COMMENDED ALL** players.

16.4.94 -v- SEU 5:1

The team performed well again. Keeping the pressure on the opposition the whole time. Goals scorers were Dean, Nathan (2), Gavin and Richard. Our defence played just as solid with the midfield stopping the opposition before they could get into any dangerous attacks.

23.4.94 -v- KILLARNEY 2 0:1

Killarney District attacked twice and scored once in the first half. Our team played soft and indecisive. Then came second half we attacked for twenty five minutes. The Killarney keeper saved their 1:0 lead. Compliments to Killarney's resolve to save the lead. Compliments to our second half efforts.

30.4.94 -v- KINCUMBER 2:4

Kincumber WANTED to win - we rested on our laurels (leading 2:0). Kincumber was 10 metres faster and more eager. That sums up this slack performance by our team.

7.5.94 -v- DOYALSON 1:0

9.4.94 -v- TERRIGAL 11:1

Wyoming overwhelmed Terrigal who struggled on with only seven players. Abdiqani scored 5 goals in a promising display but all out other forwards could not control their enthusiasm and were caught regularly offside.

16.4.94 -v- WOY WOY 14:0

We again played against under-strength opposition and our passing was an improvement that resulted in nine to nil at half time. We finished with Abdiqani scoring 4 including a penalty with Russell Beard hitting a hat-trick. Other scorers included Russon, Paul and James Etches, Barrett, Shute (2) and DeJager. Lets hope next weeks opposition can get eleven players.

23.4.94 -v- EAST GOSFORD 1:4

A full strength East Gosford controlled the midfield and the game. We missed a penalty in the first half and went into the break two nil down. Chris Harding at right fullback and Chris Pugh at centre fullback in the second half saved countless attacks by the opposition but couldn't prevent the score reaching four. Russell Rathbone controlled and hit the ball hard in the last minutes to pull a goal back.

30.4.94 -v- KARIONG 2:1

A very encouraging effort by all the players with new captain Russell Rathbone shining in the midfield and organising his team mates. Abdiqani scored both goals with the second being a cracking volley off his chest. James Etches is getting back to his old top form and will be a regular threat to opposition goal keepers from the left wing.

1.5.94 -v- GOSFORD 9:0

Abdaqani scored in the second minute and Gosford were outclassed from that point on. Car DeJager swung from fullback to centre forward to score three second half goals. Agdaqani scored two (13 for the season to date) with James Etches (2) Russell Rathbone and Chris Pugh smacking a volley the other goal scorers. We look forward to being up-graded later this season.

What a great start to the season - a forfeit!! Such a disappointment after all the behind the scenes activity to get our team on the field. I would like to thank Peter Morrison and Marlene Bailey (and the other Committee Members) for their unflagging help to get our team together. We are still short of a couple of players - if you know of anyone who would like to play.

23.4.94 -v- TERRIGAL 3 2:3

An undeserved loss. Our lack of match practice showed in periods of undisciplined play, however a good performance overall. Our goals scored by Steve Gardner and Simon Ainsley. Brent Challis and Joseph Olden were strong and reliable in defence.

30.4.94 -v- SEU 1:1

A real nail biting cliff-hanger. We had the best of the play in a very close game. The SEU goal came with only five minutes left in the game but it was great to see our team not accept defeat and increase the pressure. Mark Byrnes saved the day with a great header after a scrabble in the goal mouth to equalise right on the whistle! A great team effort with some sparkling football. A pleasure to watch.

7.5.94 -v- GOSFORD 4:1

A one-sided affair with our boys controlling the midfield with the help of Yeoni and Abdiqani from the U/13C and strong games from our backs. Five goals scored by Mark and Abdiqani and two to Steven Gardner. A good win.

Wyoming 2 scored a further two goals, one a doubtful penalty to take the match 3:1. Congratulations to Wyoming 2 but Wyoming 1 put in a disappointing display.

The Referee also had a poor game with some bewildering decisions.

23.4.94 -v- KILLARNEY DISTRICT 1:2

A much more committed effort this week. Unfortunately whilst we are creating scoring opportunities we are not converting our chances. The Killarney keeper had a great game and pulled off three great saves frustrating the Wyoming attack. Not a bad performance from Wyoming with some good creative moves. Wyoming's lone goal came from Trent Hughes with a good shot from inside the box. Score: Wyoming 10 chances (1 goal), Killarney 4 chances (2 goals).

30.4.94 -v- OURIMBAH 4:0

In the first half Wyoming again let themselves down with poor first touch control and lack of composure in front of goal. At half time the score was nil all and Wyoming pondered their wasted chances. The second half belonged to Wyoming who scored four goals in the space of eleven minutes through L. Dashwood, T. Hughes (2) and A Coates. The final result was a little flattering to the opposition given the missed opportunities by Wyoming. Welcome to new signing Justin Bell from Terrigal.

17.4.94 -v- GOSFORD 0:2

A full team this game with a great put in by our new players Judith Agnew and Deejo Omar playing for the first time. Raity Batha played very well and a marked improvement by Haley Nash.

24.4.94 -v- WOY WOY 2:2

Big improvement in play in this game. Good defence by Kashifa Richards, Danielle Schlie and Robyn Sime. Raity Batha and Kristelle Collings play well in attack with two great goals from Amelia Copeland. Well played girls.

This was a pretty fair start to the season. Until now we had not played as a proper team so people were a bit confused about positions. There were numerous chances from both sides, and both keepers did well to keep the scores at zero.

Belinda and Samara did great work in the forward line and Stewy defended well in her usual fashion.

17.4.94 -v- GOSFORD BLUE 10:0

Today's game gave every team member a chance to show her paces. The opposition were all very new to the game and didn't really pose any threat. Our resident express train, Belinda, bored through the opposition and scored three. Other scorers were Katty (2), Samara (2), Sharnie, Carina and Rebeccah.

Outstanding players today were Katty in mid-field, Jodie (the only girl whose registration photo is bigger than she is), and Carina.

24.4.94 -v- GOSFORD RED 2:3

A very different game today against a strong side that is obviously Gosford's best - quite an eye-opener for our two newcomers, Kylie Brown and Kirsty Hulls.

With a bit more experience under our belts we could have won or at least drawn but today it was not to be.

Defence was excellent, with Jo-anne working hard and showing a lot of promise for the future. Stewy also played a good game, and Danielle showed that she can mix it as well.

1.5.94 -v- ENTRANCE RED 1:0

I thought that last weeks match was good to watch but todays proved even better. It was a good hard game from both sides, and the score could have been anything.

We managed to dominate the second half through good work by Rebeccah, Belinda and Samara. Their goal keeper saved so many chances it wasn't funny. Sharnie in our goals did equally as well despite a previous injury.

Managers note: We really have to take better care of ourselves:--

Sharnie -v- Horse 0:1

Holly -v- Ice Rink 0:1

Samara -v- Hockey Stick 0:1

....not a good result.....

On behalf of the team I would like to thank John McLafferty, Reserve Grade Coach, for training the girls one Tuesday evening. I missed the session but the girls have told me what a great time they had. Thanks, John.

Also many thanks to Charles Trippier, sponsor of the team, for the interest he has shown. Thanks also to the girls who helped sell soft drinks at the Niagara Park Gala Day the other Saturday.

A game of two halves, Southern hit first with an early goal and then controlled the game with a second goal before the break. The second half was completely dominated by Wyoming but were unable to capitalise on their chances.

17.4.94 -v- WYONG 2:5

Not the match you want to comment on as a Coach. Wyong played hard and got the result they wanted, we sat back and watched. Man of the Match - Michael Leete

24.4.94 -v- KILLARNEY DISTRICT 3:1

Wyoming put on an impressive performance to down Killarney 3:1 and Coach Gallagher said 'you have not seen the best of us yet', with players still to come back from injuries and suspensions. Nothings finished until the fat lady sings.

1.5.94 -v- TOUKLEY 2:0

A good first half by Wyoming was good enough to go in at half-time 2:0. The second half saw Toukley with just nine men but Wyoming could not capitalise on the first half result. Still the points are in the bag and that's what counts.

10.4.94 -v- SOUTHERN ETTALONG 1:1

The team started well, considering this was the first chance to get the starting eleven together. Southern applied pressure mid-way through the first half and deservedly took a 1:0 lead to half time. As the second half progressed the Wyoming midfield were in control, playing good fast soccer. Gavin Singh equalised with a solid header, with Maltby, Bailey and Greenwood all having good games.

17.4.94 -v- WYONG 5:1

A blend of youth and experience produced a five to one result for Reserve Grade. Luke O'Toole and John Bailey dominated midfield with good support from a solid defence in front of the goalkeeper 'Jock' Wilson. Goals from O'Toole, Death, Maltby, Wilkie and Tindale set the scene

with Tindale's solo run and finishing outstanding. Coach McLafferty was happy with the result, but the loss of one goal will show in midweek training.

24.4.94 -v- KILLARNEY DISTRICT 0:1

Reserve Grade let slip a chance of going to the top of the league with a 1:0 loss away to newly promoted Killarney. A changed midfield could not get on top of an enthusiastic Killarney side. The 1:0 score at half time was a fair reflection so far, but Wyoming had plenty of second half possession with out capitalising on it. Tindale and Wilkie best served the side.

1.5.94 -v- TOUKLEY GOROKAN 4:0

A good solid start to the game, and a 2:0 lead at half time brought plenty of smiles from Bobby Bray's travelling circus of supporters. Bailey was once again outstanding in midfield, ably supported by Greenwood. Strachan was a class act at sweeper behind a solid defence of Singleton, Singh and the much improved Steve Ahtow. Two goals from Preston and one a piece from Bailey and the injured Cunningham sealed Toukley's fate.

Promising start to the season considering most of the players had little time together. Matt Robson was in great form taking the game to Southern every time he got the ball, very unlucky not to score on a few occasions. Paul Coventry had a great game in goals and saved Third Grade on a number of occasions throughout the match. Steve Athow got the goal that put the points on the board. Things can hopefully get better as the season gets down the line.

17.4.94 -v- WYONG 5:1

A much improved game by all the players. John McLafferty showing the way in defence. Bob Bray playing well with Matt Robson taking the ball to Wyong. Wyoming midfield playing well with Martin Rowland playing well down the middle. Overall a good win. Hopefully the first of many.

24.4.94 -v- KILLARNEY VALE 1:1

A hard fought match in which both sides could have won. John McLafferty had an outstanding game in the back with Martin Rowland having a good game in midfield. Matt Robson was the pick of the forwards and scored a great goal to keep us in the game.

1.5.94 -v- TOUKLEY GOROKAN 4:2

A better game from Third Grade against Toukley. In midfield Martin Rowland had an excellent game and won the Man of the Match award. Up front Bob Bray and Matt Robson scoring the goals that got us home. Overall the players are playing much better football.

8.5.94 -v- UMINA 4:2

A great result for Third Grade which puts us in the top two. Paul Coventry having a great game in goals and getting the Man of the Match award. A good all round team effort with all the players playing really good soccer. Bob Bray scoring his second hat-trick in four games and Steve Athow coming on as sub and scoring the fourth goal which sealed the game.

24.4.94 -v- WYONG 1:2

10.4.94 -v- GOSFORD CITY 3:1

A game which took twenty minutes for both sides to settle with Gosford playing, probably the better of the two. Then out of the blue popped new recruits Phil Daley and Dave Street to give us a 2:0 lead. This was added to by a spot kick for handball before Gosford got on the score sheet. Ten minutes into the second half Brian Sutton graced the park for approximately forty five seconds before dislocating his elbow for the team and ending the match as paramedics were required (and crane) to move him.

17.4.94 -v- BERKELEY VALE 2 7:0

This was a game marked by a hat-trick for Dave Street. All goals in the game were well made and the win was completely justified. The fifth goal was worth at least two as it was scored by ?

20.4.94 -v- KILLARNEY VALE KNOCKOUT COMPETITION 0:2

Well we don't have to worry about the cup any more. We never really looked like winning and when they got their second the writing was on the wall, but everyone kept their heads up and were still trying hard when the Referee blew for full time.

24.4.94 -v- EAST GOSFORD 2:1

To go a goal down after fifteen seconds was not part of the game plan. An open goal was then missed by the Wyoming No. 7, but this was only an attempt to keep things interesting. Yet again Dave Street scored to take his season tally to six, the same as the amount of points we now have.
