FROM THE PRESIDENT'S DESK

Well, it only seems like the Season has just begun and all of a sudden I am writing about its completion.

For the Non-Competition teams, this means the end of their Season, and we trust they have all enjoyed themselves and we hope to see them all back next year.

Of course, there are still many of our Competition teams involved in Finals.

As a Club, I think that we have had a very successful season in so far as our Competition teams are concerned. Of those that are not challenging for Final positions, we have had several teams who have, throughout the year, given a great effort and had great enjoyment, whilst endeavouring their very best on behalf of the Club. Again, whilst not every team can win their respective competition, try to remember that your efforts and participation have been appreciated by your Club, your supporters and your teammates.

There are many people who deserve my personal praise and I am hesitant to single anyone out, however, I would like to give my deepest thanks to all those on the Committee and their partners.

Secondly, I would like to thank all Coaches and Managers who at times throughout the Season must have wished that they had not volunteered for the position, but now as the Season is almost over, I am sure that the good times have out-weighed the bad times and we encourage you to become involved again with Wyoming Soccer Club.

Don't be afraid to put your hand up next year!

Lastly, I do not know if any of them will read this report but I am indebted to the referees of the Central Coast, who at times must think it a very thankless job, however, without whom we will not have a game.

Yours in soccer

Wayne Packer

A fun game for everyone. It was nice playing against friends. with three away, our remaining Koalas all had a good run. Great team effort from everyone with lots of running and goals scored. Well done Koalas! Encouragement award - Matt Parsons.

A very enjoyable game between two well-matched teams on what must have been the coldest June day in years. While the parents huddled together to avoid frostbite, our Koalas did us proud. Troy and Matt played a great game and Shane showed us what a great all-rounder he is by defending well in goals.

Encouragement award: Michael Crowley.

Even though we were a little short on players, we were not short on effort. Tom scored three goals and Anthony 2. Matt Darch and Ben had good games in goal. Sam and Dan were all over the field. There were a couple of times we hung off the ball. We need to make sure we work all the time not just most of the time. Encouragement Award - Tom Feverstein.

20.7.96 GOSFORD 4**3:0**

An excellent effort with everyone giving 100%. Matt Darch showed some excellent skills and effort and was given Weekly Award. Goals by Sam, Ben and a stormer by Anthony. the game started off slow with both teams defending well and not allowing the other team to have any shots, but just on mid-way through the first half, they

made a break and slotted it into the goals. Our team re-grouped and started playing better soccer by getting some good passing together and from then on it was just a matter of when we would score. Eventually it came through Greg Wasson who had a shot, hit the post and rebounded back to him and blasted it past the keeper. A good effort by all the boys. Player of the week was Daniel Mulvaney who received the Award on his effort and improvement all round in his game.

The boys were more concerned with the opposition side having one of their people refereeing the game, rather than getting on with the job and playing, this seemed to be a distraction to them. We were not good enough today, but may be consoled that we played poorly and only got beaten by one goal. Glen Pritchard played well.

Not too bad an effort against a much better opposition considering the first two goals were due to woeful refereeing decisions. Good games from Luke, Elisha, Neale, Chris and Brooke, while Mitchell had a good game in goals.

11.6.96 -v- MOUNTAINS 1:2

A good flowing game against the top side with the winning goal scored in the last 5 minutes. A great effort from all our players. Especially Luke (in goals), Brodie, Neale and Chris. thanks to Kyle (the goal scorer and Robyn from the U/10's.

13.7.96 v- KILLARNEY 4:0

A good indication of our superiority. Our defence was most pleasing with Daniel, Shaun and Angus very safe at the back. While Neale, Chris, Elisha and Aimee were dangerous in attack. Goals to Neale 2, and Elisha and Aimee.

20.7.96 -v- EAST GOSFORD 2:1

What a great pressure victory. The wind played a big factor in this game. Running with the wind our opposition could only score once. A big individual goal from Neale made the half time score 1:1. We made much better use of the wind which saw a Mitchell Boomer kick give the winning margin. Good efforts also to Aimee, Daniel and Chris.

A disappointing result when you think this team is under us on the competition table.

Karl Graff played well to finish the season off as did Todd. Our goal was scored with some good team work, when Robert Blackley passed the ball back to Hassan who was just outside the 18 yard box, and booted it and scored.

A tough match against the competition leaders, unfortunately with two players unable to play our stand-in keeper (Jason) put in a good effort to keep the opposition down to 10 goals despite many more attempts.

Another tough contest against a good Wyong team. We managed to hold them to 3 goals in the first half. Good performances by Jason, particularly but the whole side played well.

Players never gave up and Robbie Lenehan finished a good team goal with a header.

27.7.96 -v- GOSFORD

2:1

This was the match that all the players were looking forward to doing their best and the effort paid off. Dale Mobberley dove a penalty through the back of the net

to lead one nil at the break. Gosford scored a goal early in the second half but sheer guts, determination and a hot headed coach kept us going. Dave Copeland made a perfect cross to Robert Lenehan with two minutes of play left and he made no mistake. Uncontrollable cheering and yelling followed long into the night.

3.8.96 -v- KARIONG

2:2

Finally, the team is regraded into the "B" comp and just our luck to strike the leaders first up. However, a tremendous strike by Ben Farrugia and fine team goal finished by Todd Gleeson left us 2:1 ahead at halftime. A tough second half effort was displayed by Ahnel, Matt and Dale but unfortunately Kariong got an equaliser just on full-time.

10.8.96-v- TERRIGAL

0:2

A courageous effort from all our defensive players especially Goalie, Mitchell Chivers (saving a penalty) and fullbacks Matthew Browne, Anhel Weigel. Dana Worthington served it up to the opposition but lacked a bit of support from other midfielders.

10.8.96 -v- GOSFORD

0:1

A very exciting game in which all players contributed to the full extent. Matt Browne as Captain throughout the year took man of the match honours.

24.8.96 -v- BUDGEWOI

1:3

the Tigers were beaten 5:1 by Budgewoi in the first round and we certainly improved on that effort. Jono Bratby muscled his way past many defenders before laying off to the flying Robbie Lenehan to power our goal into the net.

A fun game to finish off the school holidays. Brad was let loose on the field for the first time and scored 2 goals (one left foot). He went for his hatrick with an overhead kick. Gavin scored also with his left foot and tried a 60 m shot for his hatrick. Carl was also on a hatrick but his left foot let him down. Nathan Mumford enjoyed his half 1 goals. A bit of fun before the serious work starts.

20.7.96 -v- EAST GOSFORD

2:0

A game played in very windy conditions which called for the ball to be kept on the ground to keep possession but something we did not always do. The first goal was a classic head by Trevor off a Pickle's corner. Pickle's scored the other. Al McCubbin was unlucky with two good shots. Onward we go.

24.8.96-v-DOYALSON

0:0

I expected a hard game and that is what we got. Even though the opposition were moving quicker to the ball, we still had a lot of possession and despite more attempts at goal than them, we could not get one in the net. However, a draw still leaves us undefeated with our game to go against our enemy Killarney Vale. A

win will secure the minor premiership as undefeated minor premiers. Lets stay committed to this aim.

Our first defeat beaten by a much more committed opposition. Half time was us down 2 nil and we really did not look like scoring. A second half penalty to Abdiqani made the score more respectable. Only "air" looked at all dangerous while Luke, Yeoni and Abdiqani toiled.

6.7.96 -v- WYONG

9:2

A great attacking game by Wyoming, however, our defence lacked commitment and marking discipline. Goals to "Air" 3, Chris Pugh 2, Kean 2, Abdiqani and Troy.

13.7.96 -v- UMINA

2:0

A great team effort from a 10-man Wyoming side against a 13 man opposition. We were always dangerous in attack and only bad shooting and great opposition goal keeping kept our scoring down. Great defensive effort from John, Daniel, Mick and Matthew in goals. Goals to "Air" and Luke.

20.7.96 -v- THE ENTRANCE **0:1**

In blustery conditions not one of our better efforts. The opposition handled the conditions better and probably deserved to win. However, they had 2 scoring shots (1 successful) we had 5 for no result. Glen, Yeoni and Kean put in good efforts.

27.7.96 -v- WYONG **6:1**

A game played in atrocious wet conditions reflected how we played. After conceding an early goal, we gradually got on top through the aggression of our forwards. Good games to Glen, John and Troy. Goals to Troy, Trevor, "Air", Kean, Chris and Yeoni. Thanks to the 3 U-14AB's who played.

21.7.96 -V- WYONG

1:1

This was our best team effort of the season, as we played 3/4 of the game with 10 men, only to be robbed of a win by a very dubious penalty decision fifteen minutes from the end.

We started slowly and spent the first fifteen minutes chasing after Wyong, who were moving the ball around very well. Everyone lifted a gear, however, and we took control. Steve Bech had a wonderful game up front, running tirelessly and holding the ball up beautifully until support arrived. Deano was also magnificent, with one superb volley hitting the bar, and it was he who finally smashed home our goal with his left foot.

The whole team played their hearts out, with Jake, Sarge and Paul tackling magnificently, Bully impressive as ever in goal, Oostie dazzling in a rare appearance out of goal, and Justin Bell defying doctor's orders to at least keep 10 on the park.

So, basically we were robbed, but the spirit shown is very encouraging with finals approaching.

28.7.96 -v- S.E.U.

1:1

This was always going to be a tough match: a water-logged pitch, a bare 11 players, with Justin Bell, Bully and Ben carrying niggling injuries, and opponents who had already beaten us twice this season. But the boys carried on from last week, with another really gutsy effort. We dominated the opening fifteen minutes with Deano and Becky combining brilliantly to nearly score three times, before Oostie dived to his right and held onto a penalty - what a save!

Unfortunately, the referee lost control of the game after this, but nothing put our boys off. Paul was cool and inspirational at the back, as was Steve Bech up front, and Jake, Bully and Jacko tackled tirelessly in the middle of the park. Justin Bell had a solid game at fullback, and Bridgely made some important interceptions, so that it was only justice when Justin Carmody gave us the lead through a penalty.

Bully slammed the best shot of the day against the bar, but unfortunately they equalised when the referee gave a free-kick against Oostie for supposedly taking too many steps, and so we had to settle for a well-earned point.

The team is playing with a lot more guts and creating a lot of chances; one of these days its all going to come together and we'll score 6 or 7; let's hope it's in the finals!

4.8.96 -v- GOSFORD

0:3

This was a disappointing result after a really gutsy effort from our understrength team. We had Yeoni and Air from the U/16s on the pitch and Abdi as our only reserve due to suspensions, illness and injuries, but we restricted this very powerful Gosford team to a handful of chances. Unfortunately, they scored from three of them while all we had were Bridgey hitting the post, a penalty that wasn't given, and a few near misses. 3:2 against would have been a much fairer result.

Jake and Paul were magnificent in the middle of the park, as was Bridgey who arrived on his bike 4 minutes before kick-off, but played a stormer. Oostie made some superb saves, the 2 Justins at full-back held their men and their tempers very well, despite a lot of provocation, and our two young reserves played their socks off. Well done boys, the courage, spirit and energy of your efforts bodes well for the semis.

11.8.96 -v- UMINA

4:0

This was Deano's match; after a quiet game last week, he could do no wrong, scoring 3 and a half goals and setting up numerous chances. Even his Mum reckoned his opener in the second half was a "good goal", when he chipped the sweeper, ran on powerfully and calmly chipped the keeper. His first effort was tapped over the line by Trevor to complete a great team goal; and he also took his other 2 chances with confidence and precision.

The whole team played very well in the first half, with Bridgey, Jake and Jacko winning a lot of the ball in the middle, Ben breaking well down the right and Trevor finding a lot of space up front. Justin Carmody had an excellent half, timing his tackles well and making all his passes count.

In the second half, we went to sleep; the running stopped and we relied on Deano's individual efforts to score twice against the run of play. Bully was safe as ever in goal and together with Andrew, Paul and Sarge, we managed to keep Umina out. So, a great first half, but we'll have to keep going for the full 80 minutes in the semis.

18.8.96 -v-KILLARNEY

2:1

This was a pretty dull game; we struggled to get a team on the park as Bully felt sick and Bridgey and Sarge were very late. Our disorganisation showed; when, for the second time in a few weeks, we gave away a really soft goal, through confusion between our goalie and the wall. We were 1 nil down and playing badly, and really only superb tackling by Paul and Jake kept us in the game in the first half.

We equalised just before half-time, through some excellent inter-passing between Steve Bech and Deano, before the latter coolly slotted it home.

Sarge and Bridgey added a bit of authority in the second half, and Trevor had three excellent runs down the right, but basically we played badly but still deserved our 2:1 victory, which guarantees us a spot in the finals. The highlight of the second half was Jacko's first goal of the season; he has had an excellent season, and has hit the woodwork several times, and so he leaped understandably delighted when he finally tapped home Trevor's shot, for the equaliser.

25.8.96 -v- TOUKLEY 2:0

After a messy first ten minutes, we settled down to play some good soccer. Paul was in total control at the back, and Justin Bell and Greg were impressive at fullback. Jake had control of the middle of the park, but the revelation was super-sub Abdi, who was in the game right from the start and scored 2 good goals. First he slotted home an excellent cross from Greg, and then he headed superbly into the top corner of the net from a great corner by Steve Bech.

There were no more goals, even though Jacko was his usual busy self, Steve and Deano had several good efforts and Trevor headed another great Beckie corner against the post.

Greg also had three excellent long-range efforts and Ben was busy and effective down the left. The only time Toukley broke through, Bully made a top save and managed to hold onto the ball, with a forward in close attendance.

Well done boys; it's beginning to look good for the finals, as long as we can get a full-strength team on the park.

WYOMING FIRST GRADE

KILLARNEY -V- WYOMING 0:0

A night game played under lights, produced little entertainment for the few loyal supporters who turned up in cold, blustery conditions.

WYOMING-V- TOUKLEY 5:2

At last the goals arrive with Zuk, Archer, Leete, Jager and Cunningham all on the score sheet. A solid performance from all with Robson working hard up front and Pagden supplying good service from midfield.

KINCUMBER -V- WYOMING (ASSOC. CUP) 2:3

A successful night by a mixed Wyoming select side against tough 1st division opposition. Wyoming were trailing by one when Marshall decided it was time to show some authority and equalised with a clever shot. Mason added a second before slack marking allowed Kincumber to take the game into extra time. Mason

was not finished however, and thundered home the winner to secure victory for Wyoming.

ENTRANCE -V- WYOMING

Once the cows and goats were shooed off the field, a paddock still remained. Coach McLafferty was reluctant to play for fear of a serious injury to a player. Phil Archer scored the winning goal early on, and a under strength Wyoming side collected both points.

WYONG -V- WYOMING

0:2

A good solid performance and revenge for the first round lose. Wyoming were always looking the better side and two goals from striker Jager was the difference on the score sheet. Leete and Kennedy dominated the midfield and Strachan and Horrell were commanding at the rear.

S.E.U. -V- WYOMING

4:1

On a cold wet day SEU adjusted to the conditions better and deserved their win. The game was closer than the score line suggests but Wyoming struggle in the wet conditions. Phil Archer headed Wyoming's only goal.

UMINA -V- WYOMING

2:1

Umina collected both points and closed the gap on Wyoming in fourth spot. Wyoming created and missed enough chances to win five games, and were punished for it against the run of play. Wyoming played some of their best football of the season but could not break down the Umina defence. Archer was again the Wyoming scorer with a left foot drive.

KILLARNEY -V- WYOMING

3:1

An upset win for Killarney against a Wyoming side who continue to miss chances. Leete started the scoring and everyone was expecting an avalanche. Good goalkeeping and strong defending kept Killarney in the game and they got success with their long ball approach.

TOUKLEY -V- WYOMING

0:2

Ryan Marshall scored an individual goal early on and settled a now confident looking Wyoming side. Brett Jager added a second before half time and Wyoming went on to play their best one touch football so far. Toukley tightened up in the scoreless second half. Kennedy, Zuk and Tindale were good in a solid team.

KANWAL -V- WYOMING (ASSOC. CUP)

0:3

Once again a composite side from all grades combined to beat a difficult opponent. Zuk scored a screamer from 25 m and is still talking about it. Mobberley out-jumped the defence for the second goal and Marshall coolly slotted home the third. Here comes the semi-finals.

ENTRANCE -V- WYOMING

2:6

Goals, goals, goals. A hatrick to Jager, a couple for Robson, and a spectacular solo to Horrell. A pleasing display by all concerned and good for the goal average. Archer ran hard out side and Tindale conducted the proceedings on the right. Kennedy once again worked tirelessly in the centre of midfield.
