SECRETARY / PROMOTIONS OFFICER REPORT

As this will probably be my last report this season, I would like to thank the rest of the committee, the coaches and managers for making my job as Secretary easier this year.

The year did not start well with a couple of our experienced committee members, Registrar Kathy Robinson, and long-time Canteen Manager, Rhonda Bech having to resign due to work commitments. To those two ladies I wish to thank you for your contribution to the success of the Club.

Fortunately Elizabeth Heard and Sherene Kennewell came to the rescue and took over the running of the canteen from yours truly. These ladies have done a great job in their first year, as it has been difficult with all the inclement weather and the club is grateful for their efforts. The canteen is crucial to the financial well being of the club.

Talking of wet weather, we all owe a big thank you to Bob Wallington, our Fixtures Officer, who has not only had to deal with the weather but the Association trying to get its act together and also starting a business.

Another person who needs to be mentioned is our "Mr Do-Everything" this year, Ian Shute, who not only has been our Junior Non-Comp Rep, a junior coach but who also took over marking the field each week.

To my fellow Executive members I thank you for your support, especially in regard to the move by the 21 local clubs to try and obtain a greater say in the running of the Association. This has placed a bigger workload on all of us, especially President Dave Bowcott.

When we return for the 2000 soccer season it is very likely that we will have a completely different structure at the CCSA. I'm sure it will be a very interesting off-season for some of us!

As Promotions Officer I am happy to report that the Club was successful in attracting new sponsors and retaining our current sponsors. Our sponsors are extremely important to us and the Club is most grateful for their support, which enables the Club to purchase new strip and equipment each year. Kitting out 45-plus teams each year requires substantial funding and would not be possible without our sponsors.

To all the Committee, coaches, managers, players and members, thank you for your support and I hope you have enjoyed your season with Wyoming.

I look forward to seeing you all at the various Presentation Days and Night, and hopefully, when you all return next season.

Regards

Peter Bech

CANTEEN REPORT

We would like to start off this report by firstly thanking the Committee for their patience, support and encouragement during our "learning curve" in the Canteen.

Secondly we must say a special thank you to the Coaches, Managers and Parents for their assistance in the canteen when called upon, generally at very short notice to lend a hand. Many thanks.

Thirdly, to the Greg Preston and Luke O'Toole from First Grade who helped out before their main match on Sunday 11th July, your assistance was greatly appreciated. Thank you.

We have had many parents inquiring at the Canteen at the possibility of purchasing more long sleeve black training jumpers. We are pleased to advise that we have now received our stock and these can be purchased at the Canteen on any Saturday.

Lastly we would like to thank Natasya (13), Ricky (11) Kennewell and Michael (11), Natalie (9) and Kelly (5) Heard for their patience and understanding while we ran the canteen every weekend. Their help around the canteen after hours has been invaluable.

Elizabeth Heard
Sherene Kennewell

THANK YOU

Katy Paterson and her family, Ian, Wendy and Joel, would like to thank Wyoming Soccer Club for their support. Katy played for the Wyoming Soccer club for four years, before being invited to play with the Coasties Under 14s Girls team this year.

A barbeque was held to raise funds for Katy so she could play with the Coasties in the international Kanga Cup during the July School holidays. Particular thanks are due to Peter Morrison, Don Sime, the girls and parents of the Under 14s, and Senior Women's team. The team had a great time, and finished second in their competition!

A very rugged encounter against Avoca. Not many goal scoring opportunities. As usual everyone played well. Michelle and Tyson were standouts with Reece scoring our only goal. Thank goodness Madeleine found her tooth!! Weekly Trophy Winner: Michelle Schofield.

Jul 24: Wyoming 2 Woy Woy 2

An excellent effort all round considering such a long break. Everyone fell back into the groove. Both goals to Benjamin O'Connor. Standouts were Luke Turner and Robert Vrana. Tyson Durbridge had a blinder in goals. Weekly Trophy Winner: Luke Turner.

Jul 31: East Gosford 4 Wyoming 0

East Gosford were just too good! Reece Caira and Benjamin O'Connor both played well in goals with Madeleine Walsh and John Goodyear showing good fighting spirit. All showed great sportsmanship in defeat. Weekly Trophy Winner: Madeleine Walsh.

Aug 1: woy Woy Gala Day

What a great day for the kids to finally play some soccer.

Our first game against Avoca started as if the kids hadn't missed a game for a few weeks with everyone showing great enthusiasm and a keenness to score goals. Final score 4-1. Best player: the whole team ... but it went to Madeleine who scored her first goal of the year. Other scorers were Reece (2) and Benjamin (1).

Our second game was against a well-trained Doyalson side. Everyone played well and we were unlucky on occasions, losing 3-0. Best players were Tyson and Lindsay.

Our third game against Woy Woy was a vast improvement winning 4-0. Maybe it was all the fairy floss they ate that got them going again. Again another good team effort, scorers Benjamin, Tyson, Reece and Lindsay. Best players were Michelle, Mitchell and Luke.

Our fourth game was a bye, so the kids had about an hour and a half to play on the jumping castle!

The fifth and last game was against Ourimbah. Again the team played well as a team, winning 5-0. Great goals were scored by Benjamin from a free kick about 9 or 10 metres from goal, and Reece's length of the field run to score. Scorers were Reece (3) and Benjamin (2). Best players: Reece and Benjamin.

A big thank you goes to all the players who tried hard all day with a special thank you to Lindsay and Mitchell from the 6.5s for helping out. But the biggest thank you goes to all the parents for their support and putting up with the cold wind all day. Thanks.

Great game by all the boys! We lost the game but won the second half 3-0 - a great goal kicking effort by Rhys Doyle. Abdi also had a great game. Once again the team performed well in what was a great game to watch. Good to see them trying to pass the ball to each other with some excellent passes resulting in some of the seven goals. Matt, running all over the field, scored three goals. Joel turning great defence into attack all day, scored two goals. Blake did well in goals in the first half, the scoring one goal in the second. Scott scoring one goal, then into goals for the second half. Luke playing well in midfield. Strong defence by Alex and Kieran showing more determination each week. A great team effort. Weekly Trophy Winner: Kieran.

Jun 19: Wyoming 6 Woy Woy 3

A game where the score should have been higher for the team. Being 3-1 down early in the game the team settled down in the second half. Kieran not letting any shots pass him in goals in the second half. Alex again defended well. Joel and Luke both played great in the midfield setting up three of Scott's six goals - the other three being great individual efforts by Scott. A good game by all the team. Weekly Trophy Winner: Luke.

Jul 24: Wyoming 11 Avoca 0

A good effort by the boys putting pressure on Avoca until the final whistle. Blake played well, scoring five goals including one with his right foot. Kieran took a few hard knocks and passed

the ball to set up one of Matt's two goals. Scott scored two goals and was unlucky not to score more. Alex played well in midfield and tried hard to score. Luke scored a great goal from midfield while Joel scored with great determination, after the goalie dropped the ball in the goal area and he kicked it again which resulted in a goal. Weekly Trophy Winner: Blake.

Jul 31: Wyoming 5 Umina 3

Another tough game against Umina. Both teams tackled hard resulting in players being hurt. Umina led 1-0, putting pressure on Scott in goals in the first half. Blake played with determination resulting in three goals. Joel set up one and Matt also passed for the other. Well done to Kieran who scored his first goal which put us in front at half-time 3-2. Blake's runaway third goal gave us a 4-3 lead. Luke's defence was very good, stopping their attack and shots at goal. Scott scored the final goal to give us a 5-3 win. Great effort by all the team. Our first game in five weeks and the boys played well. It was an exciting game and they tackled hard, however the boys held their positions well, particularly Andrew Eliot, James Phelan and Sean Wyllie in defence. As floaters, Matt Booth and James Phelan were superb and all should be very pleased with this hard won game.

Jul 31: Wyoming 0 Avoca 0

A great game. Against the team that has beaten us, the boys were on fire - passing, ball control and tackling were brilliant in a very exciting game. Nathan Betts and Joe Surgey were great up the field, whilst Jake Oliver, Andrew Eliot and Andrew Mann were solid in defence. Sean Wyllie's man marking was spot on and the boys should be very proud of the goalless game.

Aug 14: Wyoming 7 Kincumber 0

Our best result, but we have had better games. The first half was great; ball control and passing continues to impress. Several strong runs with the lads, particularly Srdjan and Nathan being very good and Nathan was on fire with four goals, with another from Matt. Our two goalkeepers, James and Jake, saw the other side of the net, with a goal apiece. Andrew Eliot's two headers were great. The boys took the accelerator off in the second half with several

missed opportunities. Man of the Match was well-earned for Srdjan who will add to his tally before the end of the season.

Aug 21: Wyoming 3 Kincumber 2

A hat trick for Man of the Match, Joe Surgey, with support from last week's hat trick Nathan Betts, Srdjan Garaca and Matthew Booth. The ground was very wet at Frost Reserve and some huge puddles which swallowed the ball. Kieran and Sean did well and Jake's slide saved a certain goal. Andrew Mann did well in goals and was unlucky where the defence fell down. Joe hit the net twenty seconds before the final whistle. Well done lads for keeping at it under pressure.

Aug 28: Avoca 2 Wyoming 0

Avoca was always going to be a hard game and the boys had more possession throughout, and much in our half and should be pleased with how they played. Andrew Eliot and Keiran have both improved in the past few weeks whilst Jake and James did well with swapping from forwards to defenders at half-time. Sean's man-marking was superb and deserved his second Man of the Match award. Matt, Srdjan and Joe continued to dazzle with their ball control. Andrew Mann did well in goals for his second time this season. Well done lads.

The boys were a little rusty after not playing for 5 weeks and we came away with our first draw of the season. We led 1-0 at half time, in a difficult game. The goal scorer was Jed. Players of the match were Nathan Holloway and Lachlan Purtell. Others to play well included Justine Moore (who had a great game in goals stopping many scoring opportunities) and Louis. Hopefully the weather will be kind for the rest of the season.

Jul 31: Wyoming 1 Kincumber 1

Kincumber gave us our toughest test of the season so far. They are a well-drilled side that did not allow our boys many opportunities. Kincumber led 1-0 at half time and we scored the equaliser mid way through the second half. The goal scorer was Jed and in the end we were a little unlucky not to end up winning. Players of the match were Nathan Holloway and Mitchell Conner. Others to play well included our stand-in goalies Darren and Justin Frost and Mark

Bellemore was all over the paddock.

Aug 1: Wyoming 2 Gosford 0

A very satisfying victory, as Gosford is always a very difficult team for us to beat and we returned to the winners list after the last two draws. A very different story to the first time we played Budgewoi, in the first game of the year. Our boys tried everything but the opposition played well. The opposition scored first and we had to play catch up, but in the end, we came away with a creditable draw. The goal scorer was Jed Prater. Player of the match was Marky Bellemore who was always dangerous. All the other boys played well.

Improving the standard of soccer

**MASTER
SOCCER**

This year the Club commenced an improvement program for junior players. The Club approved the introduction of Master Soccer. The aim of the program is to standardise the coaching of players in the age groups 5 to 9 throughout the Club.

WHAT IS 'MASTER SOCCER'

MASTER SOCCER provides for a structured training program over a 5 year period. There are 18 skill exercises. The skills selected have been pruned from over 50 exercises. All exercises have been designed for simplicity and can be practised at home. A player can start the program at any age. The longer a player has been involved in the Program the better the results. The main principle, behind all skills, is to achieve the highest target possible by the end of the soccer season. The target must be achieved in successive repetitions or, by a time to beat based on an average of 3 successive attempts. If the sequence is broken the player must start again. Some skills will be more difficult than others but the aim is to master them all by practice, practice, practice. Coaches should err on the side of perfection with regard to the performance of each skill. There will undoubtedly be a need for the junior coach, to seek technical developmental advice from the supervisor coach on certain skills with which a particular player has

difficulty. Upon the successful completion of the Program the player will possess good basic skills that can be worked on by future coaches. The player will possess skills in: ball control, heading, passing, striking, receiving, kicking with both feet, eye/foot co-ordination, sprinting, backwards running, turning, feinting, juggling, dribbling, goalkeeping.

RATIONALE

The development of the player can be supplemented by a more structured coaching program at an early age. Numerous children drop out of soccer because they are not coached in all the basic skills of the game and therefore find the game hard to play. Numerous players at an older age, do not possess a full range of basic skills because of the neglect to develop good habits in their early years. If good habits can be established early, it goes without saying the child will be a better player in his/her future years.

MASTER SOCCER will provide coaches with a structured program as a supplement to a normal training session. It can be incorporated into a part of each session.

MASTER SOCCER is designed with the emphasis on simplicity with a minimal amount of equipment on a small area of ground. It provides the parents with various tasks, which can be practiced, at leisure, in the backyard or the nearest park with their child. It is emphasised that, if possible, the skills should be demonstrated by a qualified coach. The exercises can be practised all year round.

MASTER SOCCER will provide a standard approach to the coaching of players through those important early years. It can be used by the Club for next year's grading and team selection as it will identify the better players.
