## GAME #4

Vs

MAY 20, 2023 | vs TERRIGAL | EASTERN ROAD OVAL

Only thirteen players were available for this late afternoon fixture against Terrigal, the fewest we've had this season. Dylan looks like he will be sidelined for 8-12 weeks due to that collarbone breaking in three places, ouch! It didn't help that Wallace wanted a piggyback from him to the car park afterwards. Stay off him please! Chad, Dean and Scott had work commitments; Nige is holidaying in Queensland for two weeks; and Clive has jettisoned to the UK to celebrate his 60th Birthday, including a visit to Anfield where he neglected to get one photo of himself at the game for these Chronicles… RUDE!!

So here we were, at the basin that is Eastern Road Oval, with the winter chills and sun descending. Technically, the last opponents for us to meet in this division if you count the trial game against Gosford. We were switched

on from kick off and it was the usual suspects to make the first mark on the scoreboard. Garvs' fancy footwork and Mikey D's tenacity combining to give the latter his 8th goal of the season. Garvs soon racked up a second assist from his corner kick. All eyes were fixed on Fitzy as he attempted a scorpion kick, but the ball sailed past him and into the path of Ashton who lined it up and coolly put it away. There we plenty more chances including a wide shot from Luca, a high shot from Andy, and a meddling crossbar that got in the way for Garvs.

Rob was kept pretty quiet at the sticks with a backline of Boz, Brad, Largey and Wallace - in a star performance today - thwarting most of Terrigal's attacking chances. Our opposition got particularly narky as the second half progressed with claims we'd stacked our team with ex-BPL players. "I didn't start playing till I was forty" Brad said in response. "I'm not talking about you" the Terrigal player retorted. Ouch! He probably got his Kennedys mixed up too. I blame Largey for this BPL talk as he was recognised upon kick off. Terrigal's No.10 wasn't making any new friends out there today, but as the bickering continued, the Tigers let the football do the talking, or sailing when Largey took his free kick that veered high and wide. Garvs also had his chance at one and found the crossbar again. He did eventually get on the scoreboard to keep his streak going with a nice flick-on assist from Mikey D. Mikey D could've had another goal if not for the referee being fooled by the Terrigal backline falsely declaring 'offside'. We swear this time, he was actually onside. Classic Boy who cried Wolf scenario.

Wal picked up the three points for his efforts today. Stitty claimed the two with another solid performance and has now edged into the lead for the season tally. There was debate about whether today's points should be withdrawn though when he left his boots behind… but a fine will suffice. Tooley picked up the one in another workhorse effort.
