GAME #4

VS

Chittaway Oval, Chittaway Bay

PLAYER COUNTING, CAN COUNTING

Another one of those earlier kick offs meant we'd be short on troops today. Flanno and Luca were out with coaching commitments; Andrew away with the family; and Snorky still resting the knee. Dale and Steve had both asked for possible exemptions today with it being the birthday of Dale's daughter and Steve had a romantic getaway with his mate booked. Both kindly delayed their plans as without them we would've been down to 10 players, or 9 if Nige didn't pry himself away from the bbq at Alan Davidson in time, or even 8 as Bill strolled up late, possibly too busy counting recyclables at home before remembering we had a game on. Thankfully, by kick off we had 12 players booted up. Dale took on the coin toss duties with Steve currently serving a suspension from the team.

⤴ DALE takes on coin tossing responsibilities after the Stevie G debacle last weekend.

⤴ MICK takes a shot from ANDY's corner ⤵ RYAN's shot from a MEADY header hits the woodwork !!

MISERY AFOOT

This was our third straight game against an opponent who had yet to have a victory in the comp. Plans were soon afoot to inflict further misery. Mick had an early opportunity from an Andy corner but his attempt was blocked. Nige got a flick on with the noggin to the awaiting Ryan who got a quick shot away ... it hit the damn post!!! Andy had a trilogy of corner kicks that fell short; and Stew had a shot of his own.

⤴ STEW takes a shot.

⤴ A collision with the MEAD!

MCGARVEY MAGIC

Despite ruing on that right post foiling his chance of getting an early assist, Nige wasn't giving up. Just past the halfway point, he sent a long ball into the 18-yard box. Mick was there to work his magic, trapping the ball, circling around a couple of defenders and getting the shot away. Goal!! Nige was quick to remind the scribe where this goal started. It is nice to see Nige getting more assists for our team than assisting our opponents so far this season.

SEND HIM OFF OR I WILL !!

Nige was in the headlines again shortly after but not for such joyous reasons. He does find himself in collisions quite often, sometimes it's not even with our keeper Aaron. He was unlucky in the first instance, a Berkeley player copped a head knock as they challenged Nige in the air. That was an accident. The next collision however was not. Nige got his ankle clipped twice by an opponent. Like his current look-a-like Rick in the Walking Dead, rage temporarily engulfed the grey-bearded one. He leaped at his assailant who promptly trapped him in a headlock. The ref broke it up before it escalated further. "Send him off or I will!" exclaimed Meady. There was some further comment akin to soon needing dental work but we'll leave it there. Thankfully there were no further dramas between these two, both copping yellow cards and getting on with the game.

⌆ AARON plays with fire, hmmm foreshadowing?

CHRIS takes a swing

IT'S HIP TO BE STEW

Wyoming continued the charge forward. Chris missed his chance to increase Wyoming's lead (see above). Mick threatened again and was fouled just outside the box. Being in the prime position for a left footer, Andy opted to take the free kick. His shot curled in low - yes low!! - but it didn't seem to have the sting to threaten the Wombat's agile keeper. Somehow though it sailed through the crowd and into the net. It had been a while since Andy had scored from a free kick and as it turns out it still has. Yes, someone else was claiming the goal. Brad of course yelled out it was an own goal to Berkeley, this happens whenever Andy appears to have scored. It was however Brad's buddy Stewart Webb who was claiming the goal, that thieving bastard had gotten his hip / belly into the path of the shot. The slight deviation was enough to beat the keeper and find the net. Okay fine, it probably would've been saved if not for Stew's intervention. We'll give you that one.

RYAN's cross, erm, shot.

ERRONEOUS AARONEOUS

It must've been looking like another dull, quiet afternoon for Aaron up in the keeper's box. Other than a little bit of hiking into the slim jungle behind him to collect a ball or two, he didn't have much to do. So when the ball came his way, he opted a couple of times to collect it with the feet. On one instance though, he had a moment he would soon wish to forget. He tried to trick his approaching opponent with a quick turn. He failed miserably and lost possession in a tackle. An easy tap in was all that was required for the Wombats to notch up a goal of their own. "What the hell was that?" Vanessa asked at half time. What indeed Vanessa, what indeed. Before that half was over, there was a moment when the ball was headed towards Aaron. He charged ahead ready to clear it but Nige wasn't taking any chances and quickly intercepted, dribbling the ball as far away to safety as he possibly could.

⤴ MEADY intercepts the ball before AARON can get a foot to it ... Further Aaron avoidance

⤴ A nasty head clash between two Berkeley players.

MAKING CONNECTIONS

The second half was a tighter contest. There were some quality crosses and through balls but nothing quite connected. The only sure connection was two Berkeley Vale players involved in an ugly head clash when they both leapt up for the ball. They were lucky to have depth on the bench but did bravely return to the field later and weren't afraid to use their noggins again. Of Wyoming's chances: Andy gave Chris a solid opportunity; Ryan served Mick with a quality through ball; Mick put through two stellar crosses into the goalmouth; and Steve (who had an outstanding second half at the back) gave Stew a great chance. Andy was sure he'd netted the team's third goal when his corner curled in on target. Sadly the keeper leaped and tapped it away. Nige almost connected with the loose ball. The full time whistle soon blew. Another game where Wyoming should've won by more but it's another win and the third straight for the Tigers.

⤴ ANDY sends CHRIS away

⤵ ANDY gets hit late by NIGE's nemesis,

⤴ STEW keeps digging away into the goalmouth but his shot is blocked.

⤴ Quality service from RYAN to MICK

⤴ CHRIS just inches away from MICK's cross

⤵ ANDY almost nets a cross from MICK

⤴ STEVE sends STEW through a gap.

⤴ ANDY's final corner comes close.

DIRTY SHIRTS

It took until the fourth game of the season but finally there are points on the board! This week's judge Mark Wallace (who had trouble reaching the clothes line) declared the players got dirty enough for competition points to finally be awarded. Falling afoul of that ankle tapping did at least present one positive as Nige was this week's top scorer. Andy and Stew rounded out the top 3.
