

WYOMING FC – 2025 JUNIOR COMPETITION – PROVISIONAL TEAMS

FAQS

My child is not listed but we have registered?

If your child has been omitted from the team lists please contact the Junior Competition Representative Hamish Neal (details below.)

Are these squads final?

These are preliminary teams named to assist the club to correctly nominate teams to Central Coast Football. There is some movement possible of players across squads of the same grade before final teams are confirmed prior to the season starting. Player movement can potentially occur when additional registrations are added across some age groups. Players are required to trial in their allocated teams for any upcoming trial fixtures unless otherwise advised by a member of the Football Committee of Wyoming FC.

All player movement after the trials and prior to finalisation of squads will be done by the Football Committee of Wyoming FC.

When will coaches and managers be announced?

The club has advertised for Expressions of Interests with some Coach and Manager roles filled across the age groups. We require all coaches and managers, and prospective ones, to register in the CCF Mycomp App plus meet out relevant child safeguarding requirements.

I have a friend who still wants to register can they still do so?

Registrations remains open in most junior competition age groups, but additional player allocation can only occur where players may only be required in certain grades in particular age groups. Those wishing to register should contact the Junior Competition rep in the first instance.

I've still got a question

If your question isn't covered above or in the [2025 Season Guide](#) please contact the Junior Competition representative Hamish Neal junior@wyomingfc.com.au or via phone 0401033380
